The 1962-63 school year has been an eventful one beginning with a record enrollment of 1,805 students who reported to Senior High on the first day of school, September 4, 1962. Several new adjustments in our curriculum have updated our courses of study for major emphasis on academic work.

Our football team shared the co-championship of the Big River Conference with La Crosse. The basketball team won second place. The championship was decided in the final game of the year at Eau Claire where the Lumberjacks fell to a strong Eau Claire team by a 66-63 score.

The State Student Council Convention was held in Wausau on October 12 and 13 with Wausau families providing housing for nearly 700 visiting students. This convention was the highlight of our student government activities and was a memorable occasion for all of us at Senior High.

The senior class presented "Pygmalion," a stage play from the musical, "My Fair Lady." Our debaters enjoyed another successful year by winning many first

place honors as well as winning the annual Interstate Debate for the second successful year. We provided the winner of Wausau's "I Speak for Democracy" contest.

Miss Nurcan Kinalioglu from Istanbul, Turkey, spent the school year with us as an American Field Service exchange student.

Our biggest musical treat was the appearance of the Milwaukee Symphony Orchestra with their talented maestro, Mr. Harry John Brown. Students from all high schools in our area were our guests for this special occasion.

The most important Award which Senior High has ever received, The National Bellamy Flag Award, will be presented to our school on October 9, 1964. We are proud to represent Wisconsin as the 23rd Bellamy Award winner. Further details concerning this award may be found on page 87 of this publication.

Many outstanding events have taken place this past school year. Therefore, we dedicate this book TO THE MEMORIES OF OUR SCHOOL.

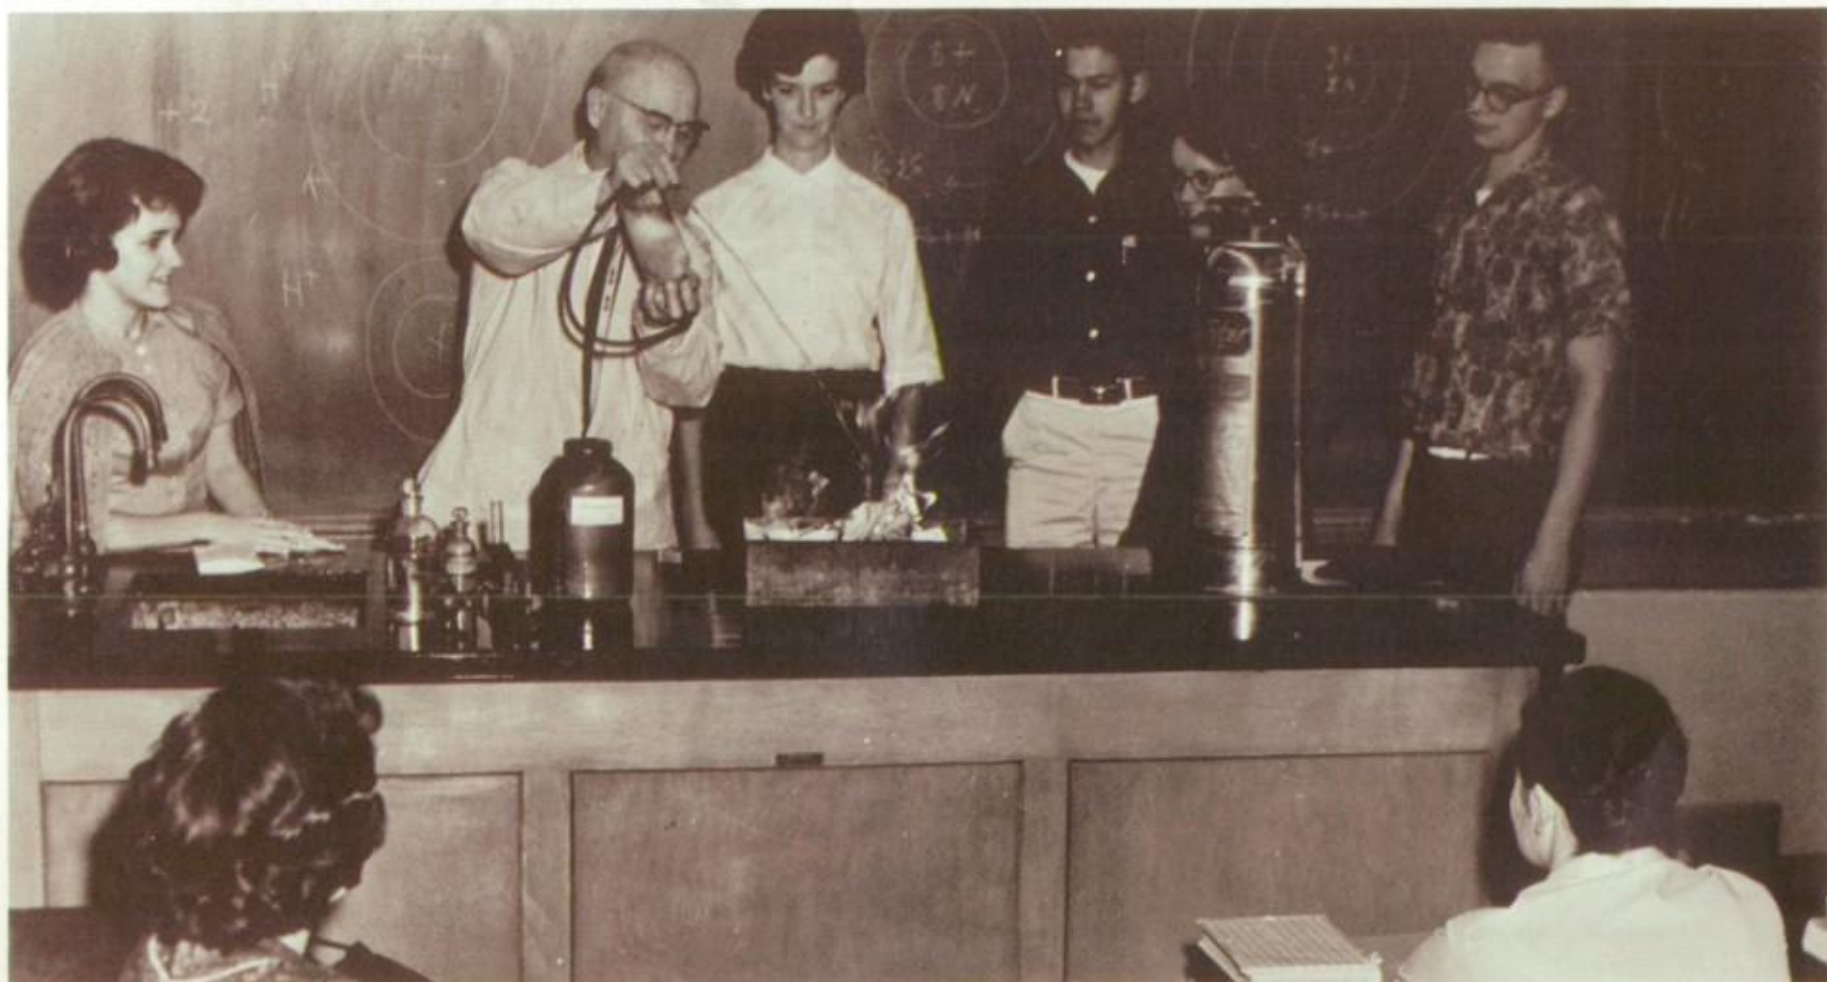

This student realizes the need for study to achieve success.

Students observe as history teacher explains Greek Mythology.

The extensive science courses available at WHS enable students to work with apparatus under the supervision of experienced teachers.

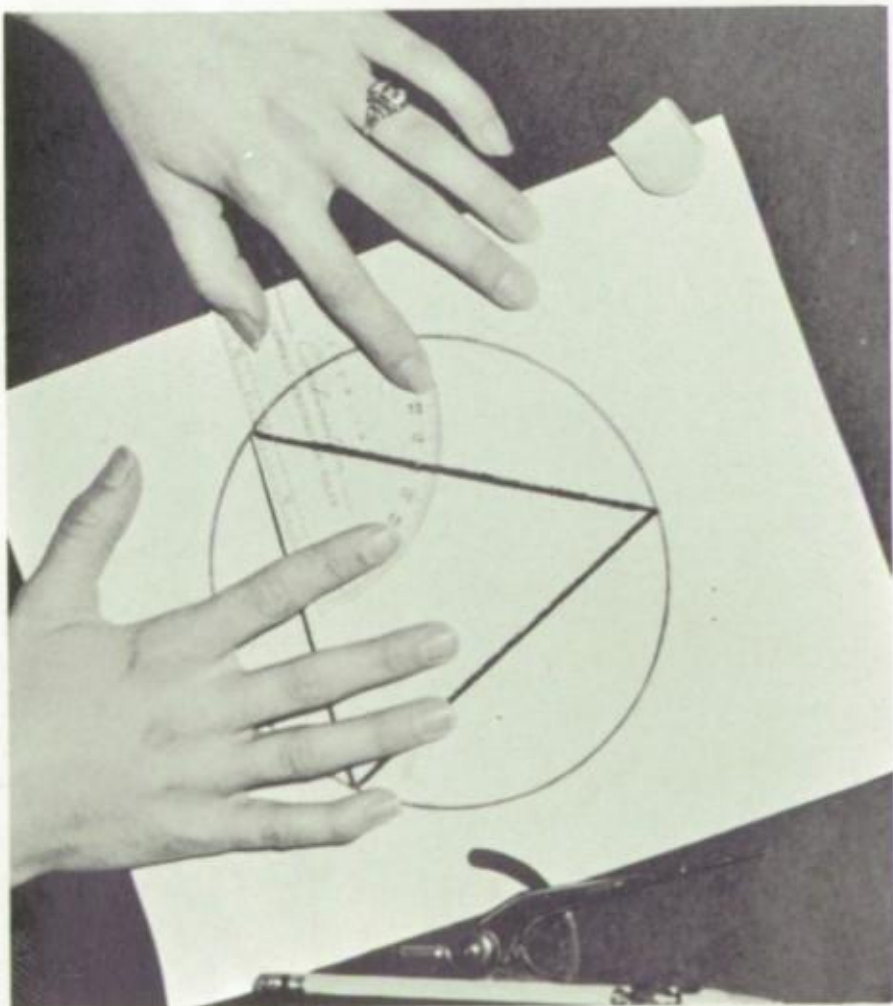

# Academics

In order to strengthen and broaden the many qualities of student life, the academic program of Wausau High School has been developed to cover subject matter of college preparatory and vocational training courses. We are fortunate in WHS to have a well-balanced curriculum to fit the needs of every student. Over a hundred courses at senior high offer a student a choice as diversified as his interests and as wide as any in the state.

An individual's academic load will normally consist of four one-half credit courses per semester. Any student wishing to carry more than his normal load must have special permission. Seventeen credits are required for graduation.

Through our selective system a student can plan carefully with his advisors the best possible courses, not only for his present satisfaction, but for happiness and success throughout his entire life.

These tools are a valuable asset in the study of mathematics.

Intricate equipment is provided for research in science projects.

Through the art program students display creative ability.

Activities and organizations play an important role in the development of our personalities and our education. Participation in extra-curricular activities is encouraged by the program of clubs organized at Senior High. Here every student has an opportunity to join with others who have similar interests in activities which are highly enjoyable as well as good educational experiences.

Approximately thirty organizations are offered to WHS students. Since there are two club days each month, the first and third Wednesdays, everyone has the opportunity to join two different clubs. Each club determines its own program and each student has a voice in helping to decide what the programs will be. WHS activities stimulate great interest among the students and faculty.

# Activities

One of the many purposes of the band and majorettes is to provide half-time entertainment during football and basketball games.

After long hours of practice and preparation the senior class presents its final performance of the play "Pygmalion" to a receptive audience.

Students take time to develop skills in areas outside of school.

## ... to the memories of

Student life is an important ingredient in giving a boy or girl a well-rounded education. Through student life we learn things we would never learn in a classroom. We learn the value of true friendship with our classmates and teachers.

Our school provides enjoyable all-school social activities. Throughout our school year, the student body participates in many events. One of the most important events is Wausau Week. A full week of activities planned to foster school spirit is climaxed by the gala Wausau Eve Program. A queen is crowned and reigns over the football game the following evening. An outstanding social event in the spring is the Junior Prom. Elaborate decorations and a colorful grand march add to the spectacle.

Our student life centers around school spirit, which is one of the most valuable assets that a student may acquire during his years at Senior High.

An enthusiastic crowd cheers our Lumberjacks on to victory at the Homecoming football game between Wausau and Eau Claire.

# Student Life

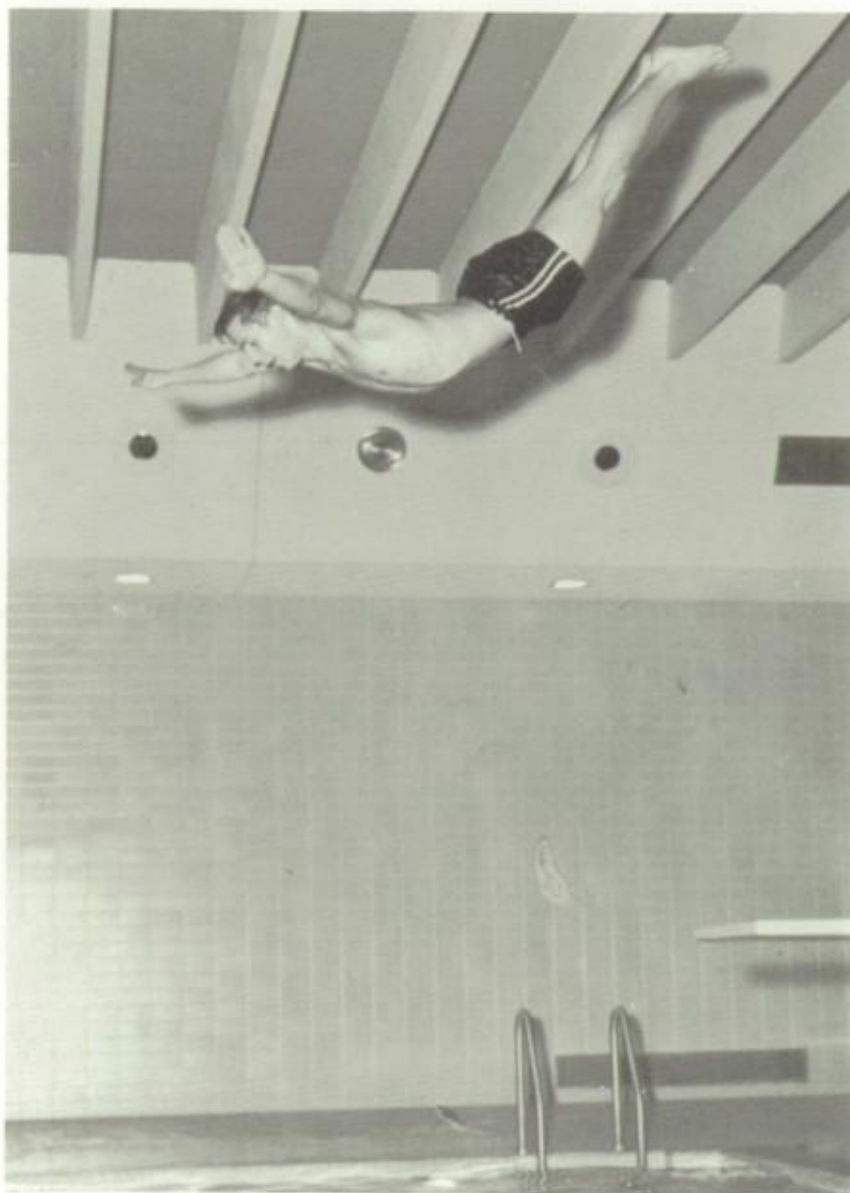

Outside of school, students enjoy bowling, one of the most popular winter sports. Form is an important asset in getting a good score.

Wausau Week began with a pep assembly, led by the cheerleaders.

Orchestra members raise the flag before each football game.

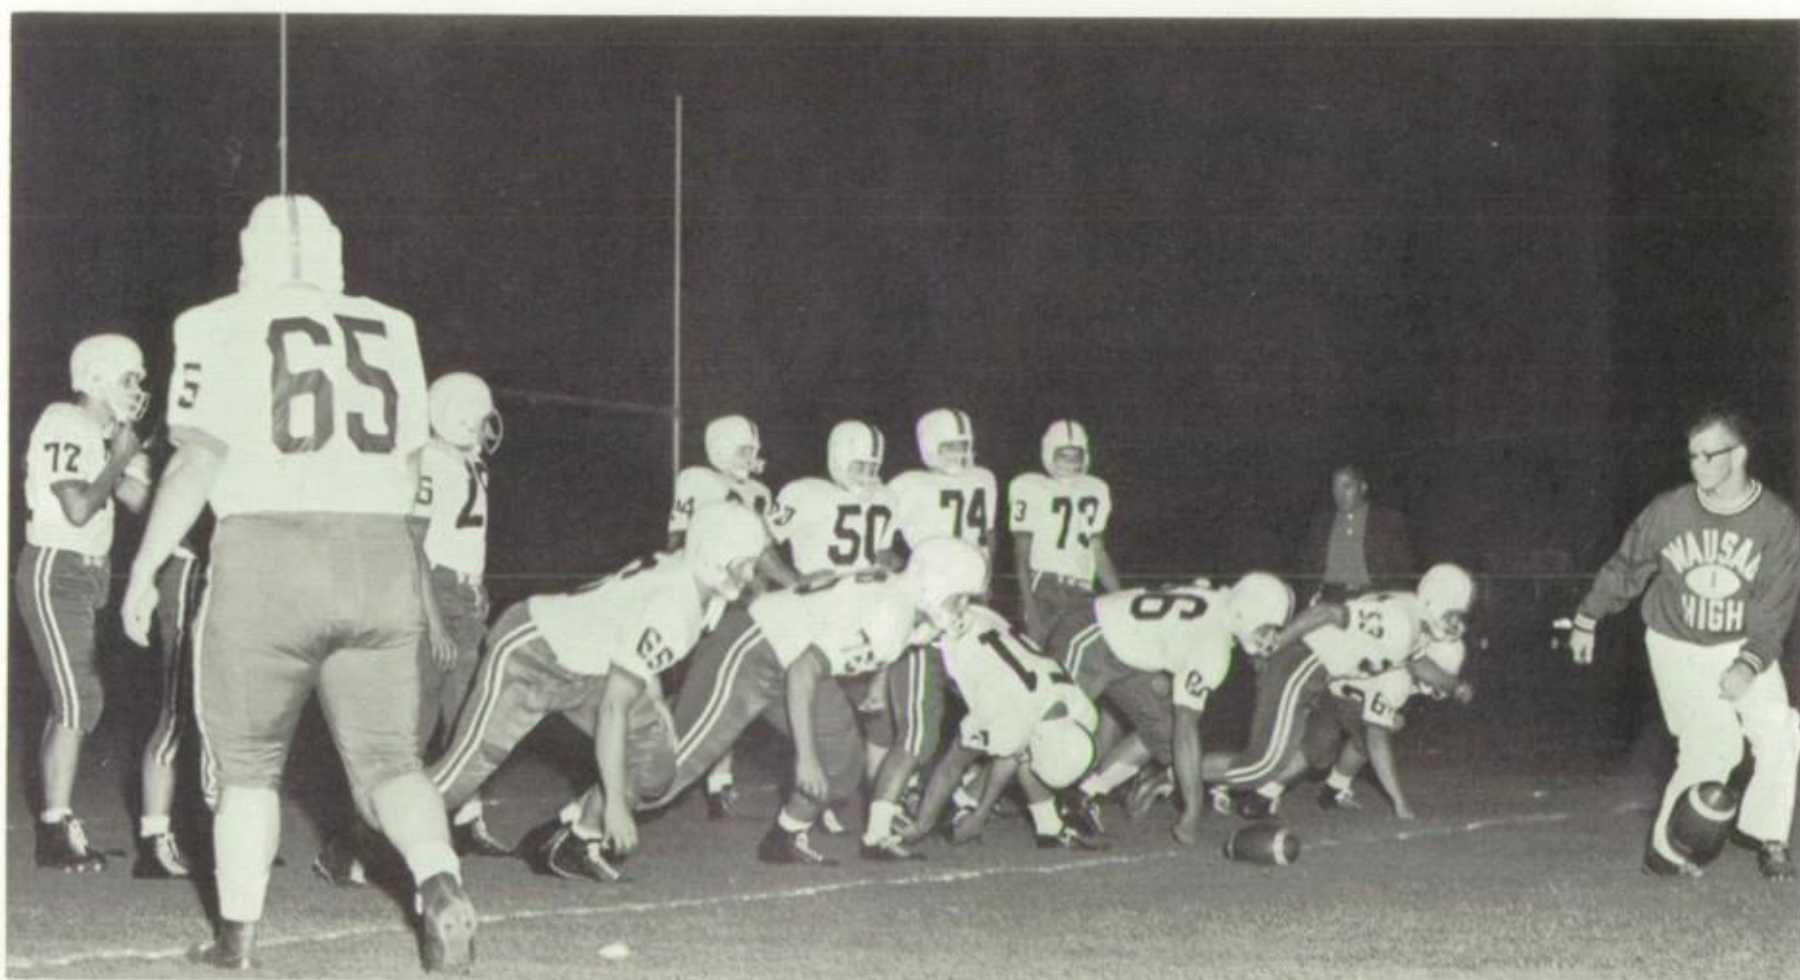

Skill and practice are important in becoming a champion diver.

... to the memories of

A wrestler tries for a pin as his opponent struggles to escape.

Our football team puts in a lot of hours practicing to develop a powerful forward drive that really terrifies those in its path.

# Sports

WHS has a long and impressive record of co-curricular athletics. This program offers to every boy interested the opportunity to participate in some sport of his choice, possibly to earn a place on one of the school's athletic teams. Besides the three major sports of football, basketball, and track, WHS students are able to take part in swimming, cross-country, wrestling, tennis, baseball, curling, skiing, and golf. These groups are under the supervision of capable coaches who spend many hours training the boys so that they will be able to work as a closely knit team.

Besides the skill acquired in the sport, athletes receive excellent physical training and develop good fellowship and fine sportsmanship.

We must also give credit to the cheerleaders who attend all the games and help promote school spirit.

Grim determination is expressed on the face of this Lumberjack.

Wausau High's finest basketball team may be looking down, but through their hardest efforts have reached their highest goals.

...to the memories of

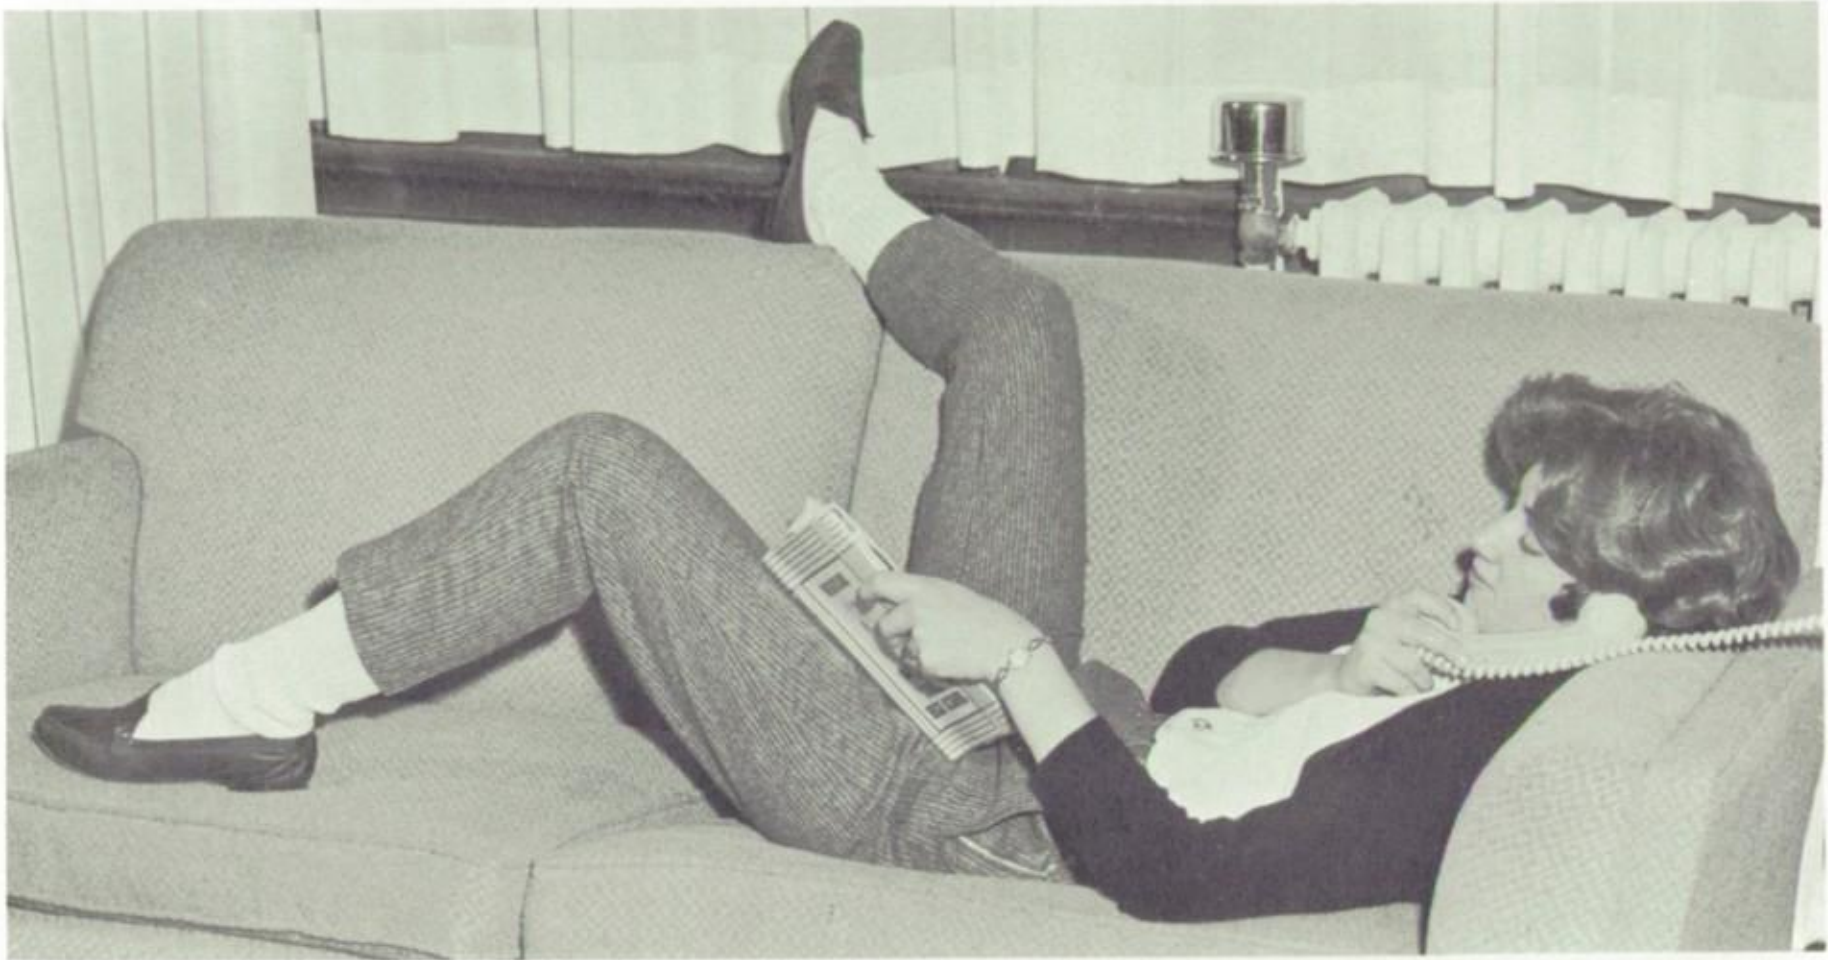

Senior boys prove that compact cars aren't good for everything.

The long-awaited year slips by before we are aware of it, and soon it is time for graduation. But memories will still linger with us.

# Classes

Schoolwork (?) is a major subject discussed by the students over the telephone. What would we ever do without this useful invention?

Each class at WHS contributes to the success of our school. Without the cooperation and support of every individual in every class, our school would not be what it is today. From working together on school activities and organizations we acquire many memorable experiences.

The Sophomore Class sponsors the sale of book covers and folders for the student body. As sophomores we are busy making friends among the juniors and seniors, and getting acquainted with the teachers and their objectives.

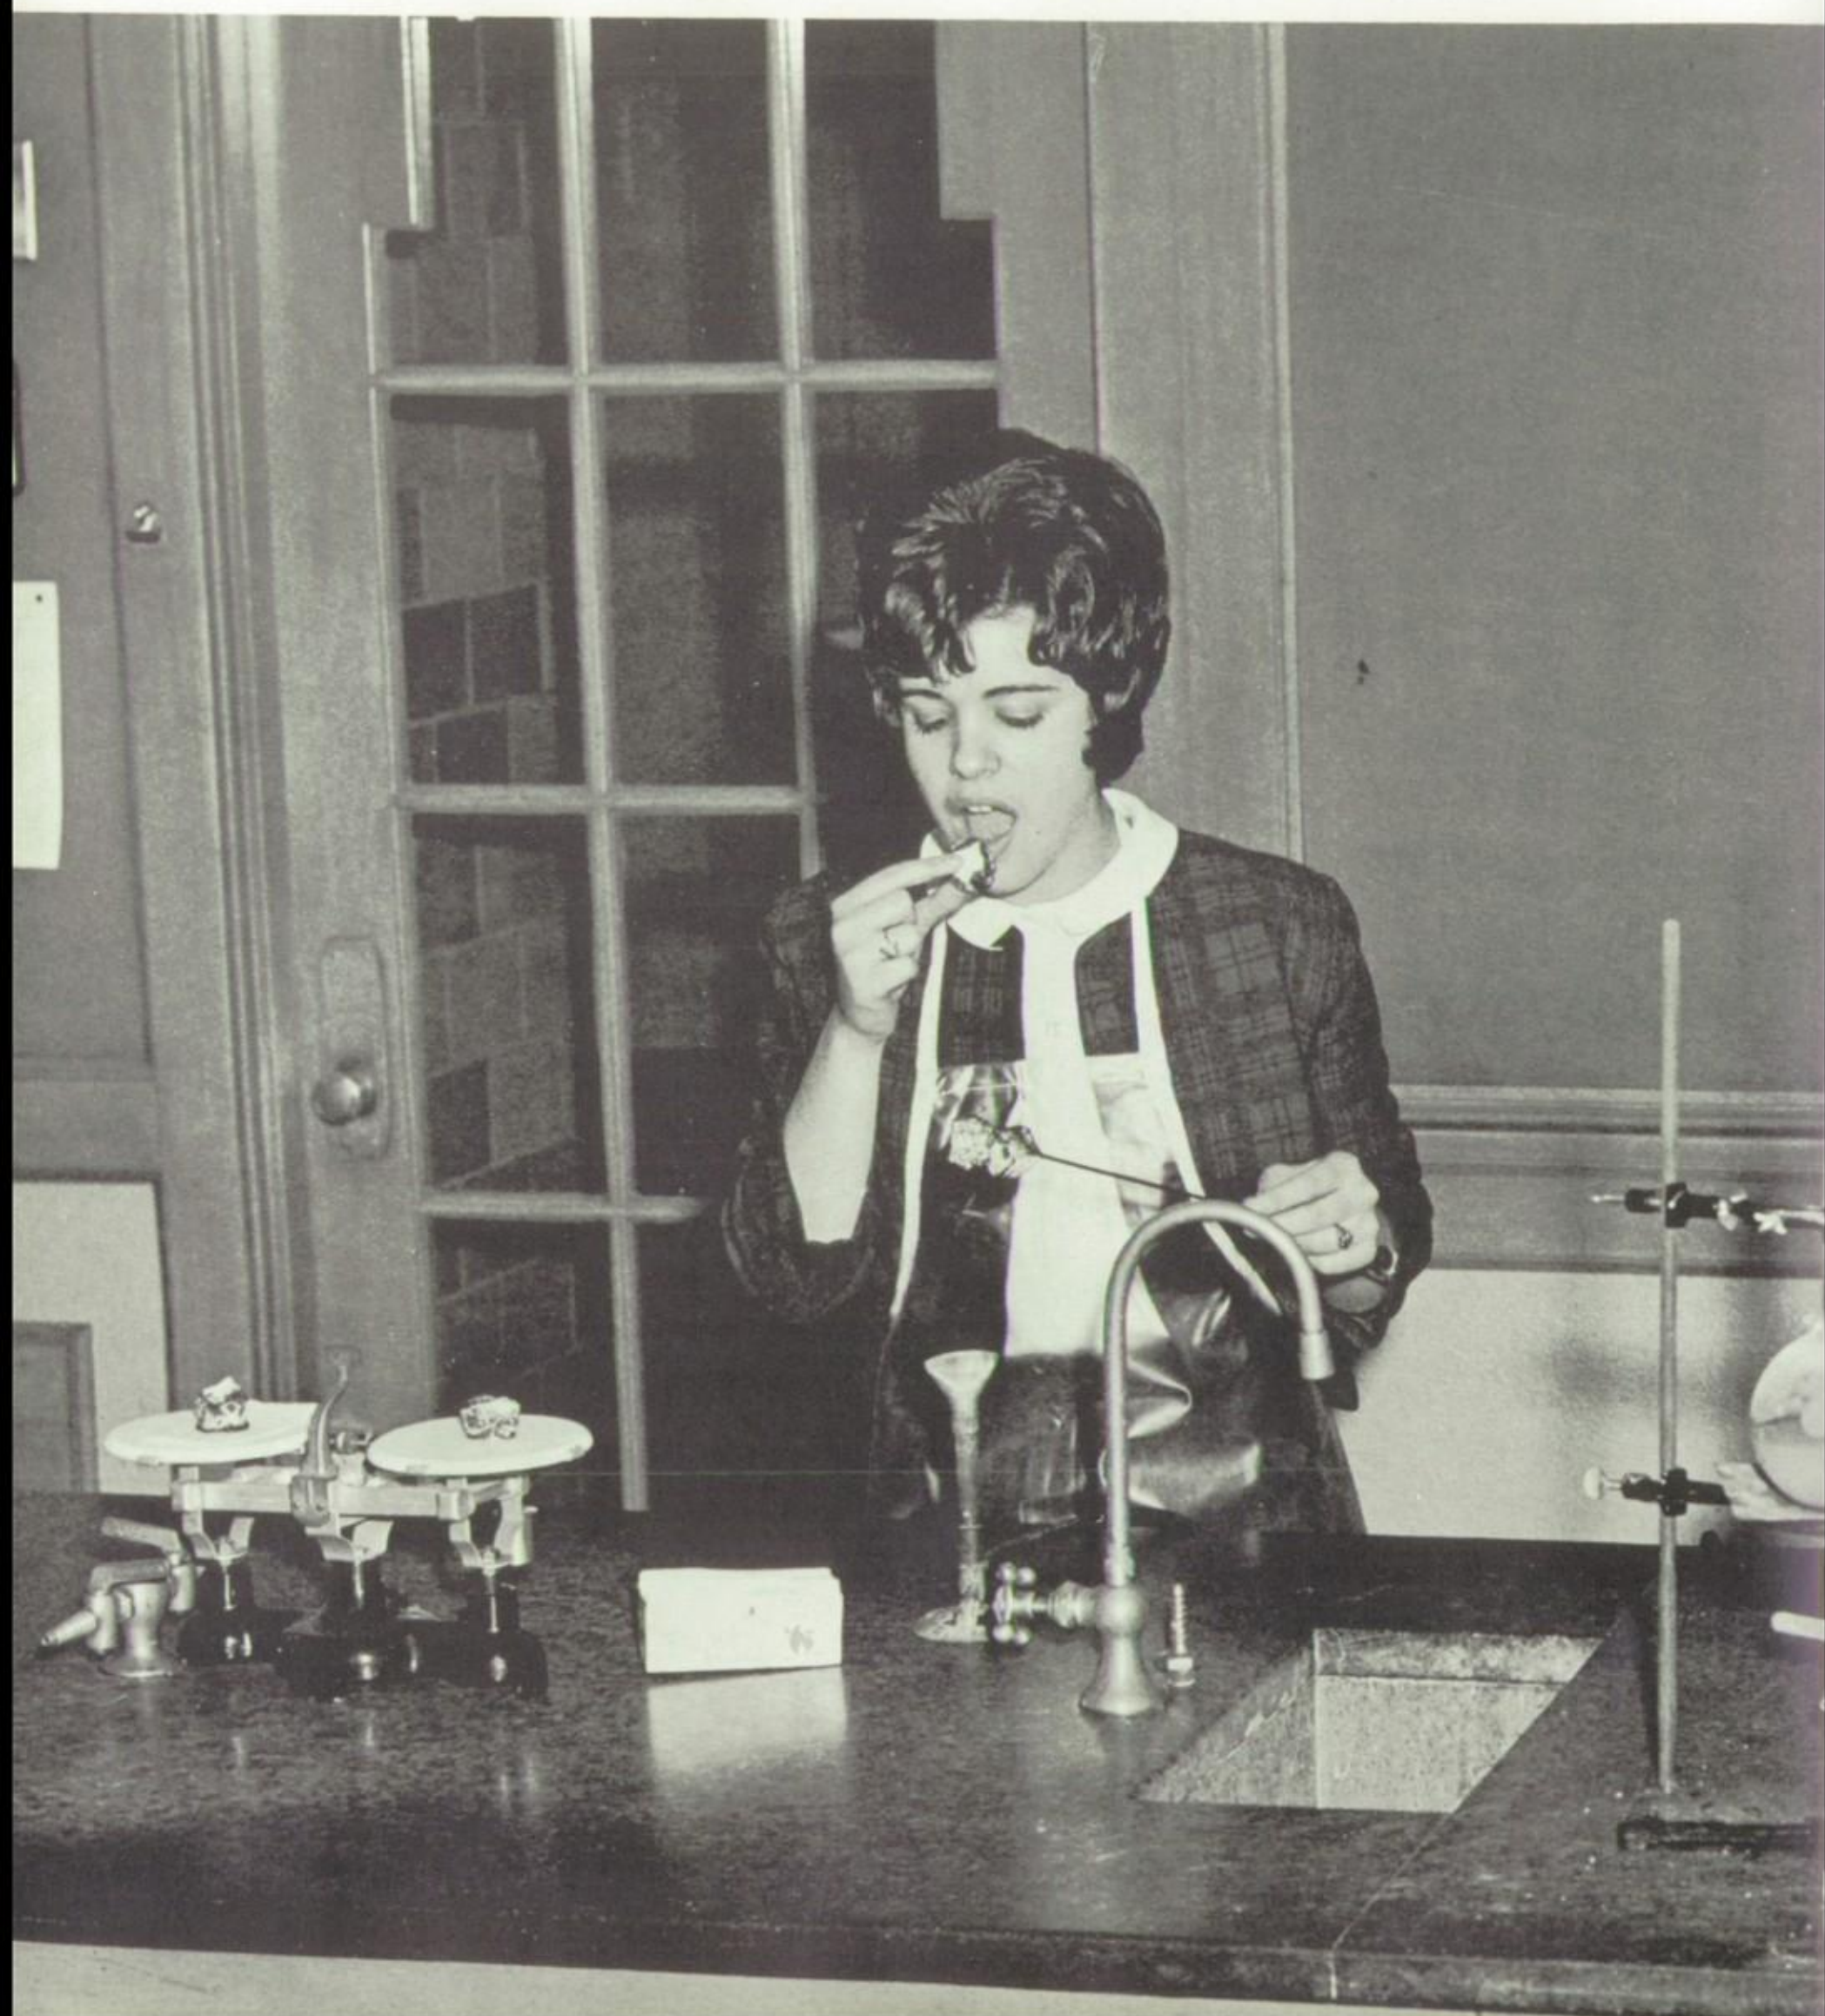

As juniors, we look forward to our senior year with hope and assurance that it will be as successful as the preceding years.

The Senior Class looks forward to that long awaited event — GRADUATION — ordering name cards and announcements, fitting caps and gowns, and seriously thinking about future plans.

Members of the acting class present a skit for a local program.

## Guidance Aim...

## Developing Potential

Attendance Director  
HARVEY RIDGE

Our Guidance Counselors are available to assist students with the many problems and needs that face them as they progress in high school and plan their future careers. They help the students gain a better understanding of their problems and receive information that will assist them in making wise decisions as they work to solve their problems. Various activities are provided to assist students in planning their high school programs, college and special school programs, vocational programs. This staff also provides assistance with health, financial, and personal problems.

Along with these counselors is Mr. Ridge, the Attendance Director and Counselor of Boys. His job is to take care of the attendance, make out absentee lists, and see to it that the students abide by the rules of attendance.

Superintendent of Schools  
G. W. Bannerman

The success and expansion of the Wausau Educational System may be attributed to Mr. G. W. Bannerman and the Board of Education. Heading the 1962-63 Board is Mr. F. W. Braun. Included in the functions of the Board of Education are such matters as determining teachers' salaries, budgeting school funds, planning the school term, and instituting educational facilities when and where they are needed.

Mr. Bannerman and the Board of Education devote much time and effort to insure the efficiency and success of our educational system now and in the future. Every student in Wausau Senior High benefits directly or indirectly through the sound judgment of the Board of Education.

# Academic Studies Provide Valuable Knowledge

Students here are making use of our well-equipped library.

In order for the many qualities of a student to be strengthened and broadened, the academic program of Wausau Senior High has been developed into one of wide and varied scope. This program completely covers the subject matter required in the college preparatory and vocational training courses.

Larry  
Furr

Emma

Jeanne  
Wendorf

In any and all high schools, academic instruction is the primary concern. To insure that knowledge will be effectively gained, the instruction must be kept interesting, challenging, and on the intellectual level of all students. This task falls on the shoulders of the teachers, whose responsibility it is to help students gain an understanding of fundamental knowledge as well as beneficial attitudes and ideas. In addition to these things, they must also show the students how to put this knowledge to constructive use.

This section, therefore, is dedicated to the administration of Wausau Senior High, and to the qualified instructors who make up our fine faculty.

Students here give an excellent example of how the valuable knowledge acquired during the high school years can be flexibly applied to our daily life.

## Students Strive for

Seniors, Karen Olson and Jim Carl, touch upon the beginnings of literature in their English literature class as shown here by Miss Ross.

When necessity moves us to speak, write, read, or think, we have at our fingertips an invaluable tool—the English language. So that we may better use this tool, the English Department at Wausau Senior High works unceasingly to impart to us, the students, a more complete knowledge of our language.

In our English curriculum we are offered a wide range of subjects. All three years of high school we are given courses that stress the fundamental ideas of grammar and literature. However, in our last two years, we are given an opportunity to specialize in our studies, according to our particular interests.

We cannot imprint enough upon our minds the importance of a well-rounded background which will enable us to better communicate with each other. We, the students, as well as the teachers strive for excellence in self-expression.

As sophomores, we begin building the foundation upon which more complex forms of grammar and literature will be based. In English III we study to perfect the basic rules of composition. English IV gives us our first sample of Shakespeare.

As juniors, English V offers a study of the more advanced forms of composition. However, specialized studies like Journalism, Drama, and Speech are available for those who have such particular interests. English VI is a complete study of American literature from its beginning in 1607 to its rebirth in the 20th century.

As seniors, English VII offers us a choice of either fundamental or advanced composition. In all composition classes, seniors are required to write a senior theme as a conclusion to their high school career. In English VIII we make a detailed study of the works of English authors from Chaucer to Shaw.

Jan Hettinga and Anne Nelson act out a scene from a very popular play in Acting class while Miss Stelmahoske looks on with overwhelming enthusiasm.

## Excellent Self-Expression

As seniors, students are required to show their abilities in writing a senior theme. Mr. Schumacher helps Joyce Gotski by recommending additions and changes. As seen in the background, Dave Doty and Tim O'Leary seem to be enjoying themselves.

## Social Studies Affect All Walks of

In these troubled times more emphasis has been placed on the study of history and government. Each of the courses in this department, in one way or another, gives the student a better understanding of his responsibility as a citizen of the United States of America.

In the history courses at Wausau Senior High School, the American heritage and the everchanging world are made to live. The principles stressed are made to speak to the student. The government courses seek to instill in the pupil a working knowledge of his government today.

The student's three years of high school are spent in completing the required social studies courses. As sophomores, pupils observe the history of the world from its beginning in the three river valleys of Africa and Asia to its existence today in the modern world. The ancient customs and ways of life are only a minute portion of study. As the study progresses, the effect of the Renaissance and the numerous wars are fully analyzed.

## Life and are Designed for All Interests

Mr. George Johnson helps our exchange student, Nurcan Kinalioglu, learn the history of the United States.

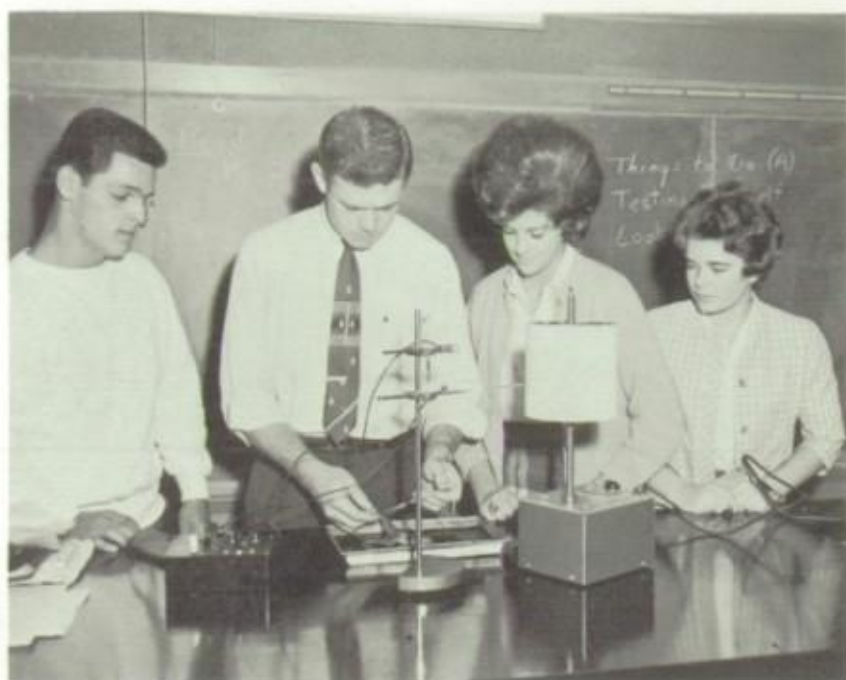

To better understand the principles of American democracy, all students are required to take American History. The signing of the Declaration of Independence and the War Between the States are high points in this fascinating course. Students, in their junior year, meet the requirements of learning of their American heritage through the American History courses.

As seniors, pupils are required to take one semester of American Problems which deals with the problems and difficulties of the modern American person and family. This may be followed, if the student so chooses, by a second semester of American Problems which is based on economics. A complete study of all phases of economics including capitalism and socialism are covered by the student.

Another specialized course a student may elect is Economic Geography. This course builds a background of information which permits better interpretation of the entire world community. Among the important objectives of the course is development of intelligent understanding of articles presented through the media of newspapers, radio, and television.

As sophomores, students enjoy demonstrations such as this one. Alan Weinberger, Barbara Lousy, and Georgia Lund look on as Mr. Dix gives a frog an electric stimulus.

## Science: Explores the World Around Us

With the present world emphasis on the rush to reach the vast uncharted areas outside the earth's atmosphere, much more pressure has been placed on the nation's schools to produce the scientists and technicians required to fill the ever expanding national need. Colleges and universities are constantly raising their requirements in the fields of science in an effort to promote a larger interest in scientific technology.

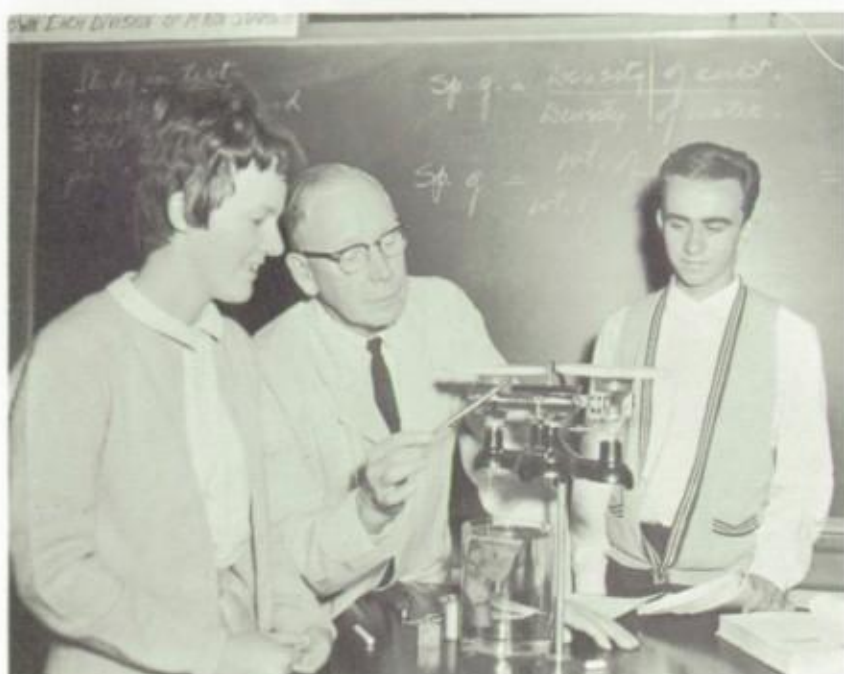

The science courses at Wausau Senior High are predominantly directed to afford an equal opportunity for all students to acquire a better understanding of the world in which they live.

A basic science course, Modern Science, is offered for those who are interested merely in obtaining a general foundation in science, and also for students who wish to use these courses as a foundation for more complicated subjects.

One experiment which Modern Science students perform is seeing what solutions conduct electricity. Mr. Dzubay helps Larry Detjens and Karen Seiler answer this question.

Mr. Berg shows Karen Sanford and Mike Manicke how to measure the specific density of the mass in water.

Karen Kempf, Everette Goodwin, Kathy Kroening, and Jim Kumbera experiment with  $\text{NH}_3$  (ammonia) as Mr. Hagemann observes thoughtfully.

Chemistry I, which is the first big step in the physical science division, offers basic experiments, using individual laboratory apparatus. The process of oxidation, with its allied problems of spontaneous combustion, is studied.

Chemistry II offers information on acids and alkalies, formation of salts, nitrogen and explosives, air and metals.

Physics I deals with liquid pressure and water power, the atmosphere and the weather, motion, work, machines, and how machines operate.

Physics II is concerned with sound, light, and electricity.

Most of the emphasis of Biology I is placed on the lower forms of life. Biology II, the study of anatomy and physiology, enables students to delve further into biology.

**WARNING:** If in the course of a day you encounter students with an unusually glassy-eyed look rushing in or out of rooms 301, 302, 303, or 304, don't panic! They are merely the mad scientists of Wausau High School, anxious to attempt a new experiment or fascinated by an experiment they have just performed. They, however, are harmless; and a light kick in the shins will bring them back to normal.

The responsibilities of a citizen are manifold and important. He must make decisions and appraise them. Because of the complexities of the economic world, political life, international relationships, and development of transportation and communication, the citizen must think logically. He must recognize and verify assumptions, conclusions, definitions, and have the ability to conduct deductive arguments. If he can accomplish these things, the citizen will be an intelligent member of the community, state, nation, and world. Mathematical competence is essential to citizenship competence.

Algebra provides training in thinking of abstract mathematical relationships by using a new language and symbols. The beginning period in an Algebra course is very crucial because basic skill and knowledge must be developed.

Basic concepts, vocabulary, the nature of proof, and elements of a deductive system are important in understanding the principles of geometry.

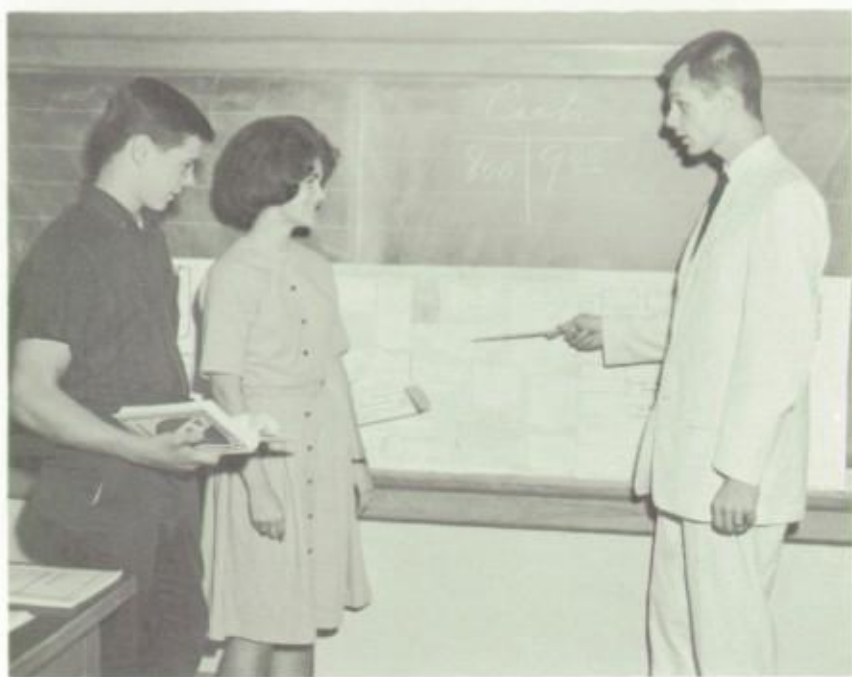

Math Analysis, a course of higher mathematics, consists of solid geometry and plane trigonometry, as well as work in analytical geometry.

## Math is Essential in the Preparation of Leaders

Mr. Luttrell is showing Herbie Kippenhan, Nurcan Kinalioglu, and Paulette Bergman how to plot a point on a sphere.

Joan Buck and Dick Roe look on as Mr. Baranowski explains the system of banking.

Since the need for competent secretaries and well-trained bookkeepers is growing more acute, the importance of a good business department can not be stressed enough. The students at Wausau Senior High School desiring to study business are very fortunate to have such a wide choice of courses from which to choose.

The courses designed for training in business are Typing I, II, and III; Shorthand I, II, III, and Transcription, and Bookkeeping I, II, III, and IV. Typing teaches a legible, time-saving means of writing which is practically a required medium of business correspondence. Shorthand is a system of writing English in a shorthand form, using symbols which can be written rapidly and later transcribed accurately. Along with these is a combined one-period class in Shorthand IV and Typewriting IV, planned to give intensive drill in dictation and transcription. Bookkeeping presents an understanding of bookkeeping principals and business procedure, and the second year of bookkeeping offers opportunity to actually keep books.

Along with these courses, classes in Salesmanship, Business Principles, Commercial Law and Economic Geography are offered for those students interested in getting a complete background in Business.

The evergrowing foreign language department of Senior High is a must in the curriculum of many students. When a student considers a foreign language, he has several from which to choose. He may study French and learn the great culture of France; Spanish and the many phases of Spanish life; German, which affords valuable background in many careers; or Latin, which provides an opportunity for students to learn about history, civilization, and religion of the Roman people.

With the new language laboratory, students can become even better acquainted with the spoken language because it enables them to hear the language and to repeat it for themselves. This is very advantageous for the teacher also, for she can become better acquainted with the pronunciation of the student.

Gary Musenberg and Paul Evans work diligently with Mr. Johnson in the woodworking shop.

The Industrial Arts Program at Wausau Senior High offers many opportunities for those students who are interested in trades, vocations, or technical fields. Students who take the general Industrial Arts course are given experiences in electricity, woodwork, plastics, printing, auto mechanics, and various fields of metalwork and drafting. Those who are interested in one field as a hobby, may specialize in any of these subjects. Others who plan to go to college may take the accelerated course in Engineering Technology.

The field of art touches our lives at every point. It is an integral part of our activities. The aim of our education is to help in the production of good citizens who are sound, sensible, and well rounded.

The agriculture course is open to all interested students who intend to farm or enter some related field of agriculture. A high school agriculture background is good training for students interested in off-the-farm agriculture.

# Home Economics Prepares Girls for Life Role

Miss Taylor shows her class the essentials of pattern cutting.

The great and all-embracing objective of the home economics department of Wausau Senior High School is to impart to the students an awareness of the tremendous value of an efficient home. # Music Courses Help Develop Student Talent

Music has gradually gained widespread popularity in the United States. Singing is an important phase in the realm of music. Wausau Senior High is noted for its fine music department.

There is always much activity within the picturesque walls of the bandroom and choir room. Talented students assemble there and play and sing for enjoyment and for the sense of accomplishment. They strive for perfection. The classroom work gives each student practice in playing his instrument or developing his voice individually, as well as with a group.

## "The Life You Save May Be Your Own!"

"The life you save may be your own!" is the principle impressed upon the students in Driver's Education. On the driving range the student obtains "behind the wheel" experience and practice in all the maneuvers necessary for becoming a capable driver.

Statistics have shown that beginning drivers who have had the advantage of driver's education are involved in only half as many accidents as those who have not had such training. For this reason, the attentive student of driver education will increase the odds against his having an accident.

Boys' Physical Education has been organized to meet the needs and interests of all boys. The addition of the new boys' gym and Thom Field has greatly broadened our program. A complete physical examination in the fall, before school opens, is urged for all students.

Girls' Physical Education varies with the year and the season, as well as with the facilities available in each of the girls' gymnasiums. Spring and fall activities are conducted in squads and consist of tennis, badminton, and table tennis. Winter activities include volleyball, basketball, ring work, square, round and modern dance, archery, tumbling and stunts, corrective work and golf.

## Secretaries - Important Part of Administration

Our main office goes into action long before the school year begins, preparing schedules and straightening records to avoid the confusion caused by the first day of school.

Myriads of duties are covered by the nerve center, otherwise known as "The Office." Records must be kept up to date; the school requires many detailed records not only of students currently enrolled but

also of all graduates. Transcripts of grades and information concerning activities and discipline must be prepared and passed onto colleges, other schools, and employers. The office also makes reports for the county and state. Complaint headquarters, telephone answering service, and lost and found departments are just a few of the many functions of the busy office.

G. K. ROSENHAUER (ROSY) — Director of Publications

## Congratulations To Rosy In His 25th Year

It is indeed fitting that this, Mr. Rosenhauer's twenty-fifth annual, should be dedicated to him. In his twenty-five years as our able director of publications, "Rosy" has been responsible for the distribution of 34,829 WAHISCANS.

Before coming to Wausau Senior High in 1938, Mr. Rosenhauer was the principal of the Phelps High for four years. He was born in Burlington, Wisconsin, and there received his elementary education. His college education was scattered among five different colleges and universities. He received his B.A. from Northwestern College, and his M.A.

from the University of Wisconsin.

When asked to comment Rosy said, "I've had the rare privilege of working with many of the best students WHS has ever produced. Putting out another WAHISCAN has been a great pleasure for me, and the acceptance of the book in our school has been most gratifying. The talent and ability of this year's staff in carrying out their assignments has made my job as editorial advisor quite simple, and I can truly say that I have enjoyed every minute of the past twenty-five years."

**WAHISCAN**—Above you see a picture of a dedicated group of kids who willingly gave much of their time and effort to producing the 1963 **WAHISCAN**. Anyone walking by 207 during the sixth period would certainly have gained a greater appreciation of the time and effort involved in putting out this book, just by viewing the assortment of blue pencils, paper cutters, rubber cement, layouts, and most important, the occupied staff members. It is the job of each section editor to plan layouts and pictures and to write stories that will interest the students. Work on the book began last summer and continued until the midspring deadline. This year's staff has worked hard to give you the 47th, and in their opinion, the best **WAHISCAN** ever produced.

**UTHROTAR**—Each year Uthrotar affords opportunities for worthy high school boys to meet business and professional men of the community, and to share in the Rotary Club programs. For each month, September through May, four boys are chosen to attend the Monday noon luncheons at the Wausau Club.

Uthrotar boys are selected by a faculty committee on the basis of leadership, service, scholarship, and participation in school affairs.

**WAHISCAN BUSINESS STAFF** — The Wahiscan business staff is comprised of a group of student ad solicitors who canvas local businessmen in the fall of the year, lining up advertising for the year book. Later on in the school year they collect the money due. The major purpose of this group is to help defray the expense of producing the Wahiscan.

**SKYROCKET**—Since the first issue of the Skyrocket in 1921, the succeeding editorial boards have done their best to follow the policies of fostering school spirit and covering school events. This year has been no exception. The editorial board under the guidance of co-editors Kay Cunningham and Ron Ubbelohde and advisor Mrs. Scheurman, worked diligently every sixth period throughout the year. They manned a staff of fifty-four reporters, plus a host of typists and ad solicitors. From the time the assignments were distributed until the paper went to press, they worked faithfully to put out a top notch paper.

## WHS Vocal Groups Develop Musical Qualities

**CHOIR** — In addition to performing at the Christmas Program, the Choir, directed by Miss Pierce, highlighted the year with their performance of the operetta "A Waltz Dream."

**GLEE CLUB**—This year the Glee Club consisted of an all girls group and a group of boys and girls. The former performed for any functions requiring a choral group.

## Top Journalists, Badger Boys and Girls Picked

**QUILL AND SCROLL**—Quill and Scroll, an honorary organization of high school journalists, rewards students who showed outstanding ability in writing, editing, or managing a school publication. To be eligible for membership, a student must be either a junior or senior, in the upper third of his class, and be approved by the national secretary.

**BADGER BOYS' AND GIRLS' STATE**—The juniors attending Badger Boys' and Girls' State received an excellent opportunity to study the fundamental principles of American government. The Badger Girls met at Madison, the Boys at Ripon. In their respective "states," the students elected their own city, county, and state officials, with the election of a governor as the highlight.

**BAND**—Playing in the band at the Senior High School is an activity that begins, for the individual player, while a student at a grade school. By participating in the training program established for the instrumentalist in the Wausau public schools, each player can progress to the limits of his interest and ability. The band is kept busy by performing at the football games, the pep meetings, the basketball games, and other related activities. However, the real reason for the existence of the band in school is fulfilled when we encourage and promote individual initiative and competence in each band student. A large quantity of music is read throughout the school year to develop an appreciation of inspirational music. When the band has attained a reasonable degree of proficiency, this knowledge and accomplishment is shared with the school and community in the form of concerts and programmed appearances.

## Their Musical Talents and Abilities

Majorettes: Arvold, Brown, Raasch, Zastrow, Kittel, Church, Disbrow. Major: Bundy.

**ORCHESTRA**—The orchestra practiced hard for its many concerts presented this year. The first event, the Parent's Concert, showed the potential of the group for the 1962-1963 season. The school Christmas pageant presented an opportunity for the orchestra to make its contributions, along with the choir, to a concert which displayed the spirit of Christ in Christmas. The orchestra also presented a spring concert with the band, an assembly for Horace Mann Junior High School, music for Baccalaureate and Commencement, and an orchestra festival, which was held jointly with the two junior high orchestras. Smaller groups within the orchestra participated in solo and ensemble work, in the annual Messiah presentation, and for the Women's Club annual spring Style Show. The highlight of the many hours of practice devoted to the concert season for the orchestra was concluded with its participation in the Music Tournament held in Marshfield.

The many hours of practice that each member devoted to Tophatters 1963, were climaxed with a program of unique and talented performances. From the first notes of the theme, "Serenade to a Zombie," to the many other highlights of the program — the dancers, the soloists, and the vocalists, their practice was evident. On Tophatters night, January 30, the group was honored by a crowd exceeding the capacity of the auditorium.

Because the band is unequalled, the insignia shown at the top of the next page was established to identify the band in all future performances.

Dancers:

Narrator:

Jim Bundy, above left, played an important part in Tophatters 1963. Not only was his musical performance a tribute to the show, but if help was needed during the preparation and practice, Jim was there. Because his spirit kept the group ready to go, Jim deserves this special recognition.

Dave Marth, above right, also helped the Tophatters a great deal. He put the show through its paces smoothly by adding a unique touch to the announcing of the selections, and also to the special added humorous skits.

For most of the people on these two pages the 1963 Tophatters' Show was the highlight of the year. It was not only an unforgettable experience for all of its members, but it gave them a chance to play the music of our time, the music they wanted to play. From the time the curtain opened, and the group on stage saw a capacity crowd of 2100, the entire group proudly displayed their talent and skills.

I will long remember Tophatters 1963. Many thanks to all who helped with the show.

## WHS Science Clubs Educate and Train

Buechler, Goetsch, Roehl, Schaller, and Mr. Harkness observe the ripple tank.

**PHYSICS CLUB**—What activities and studies are necessary to satisfy the interests of its members in the field of physics? This was the problem facing Physics Club members and the advisor, one of the new teachers this year, Mr. Harkness. The president, Tom Roehl, vice-president, Ken Goetsch, secretary, Stu Schaller, and treasurer, Lee Buechler, set up the programs that the members voted for this year. The programs included: a field trip to the physics lab at the University of Wisconsin Extension Center, various reports from the members on the history of nuclear physics, a field trip to the Weston Steam Plant, reports on the members' individual science projects or other research, and a field trip to the Marathon Electric Corporation. The club strived to make science projects a part of the course in physics.

**CHEMISTRY CLUB**— $\text{Zn} + \text{H}_2\text{SO}_4 + \text{H}_2$ . This may be a familiar equation found in the notes of a Chemistry Club member, for the club not only tried to make the subject understood, but also stimulated an active interest in chemistry as a career. Besides conducting the annual caramel apple sale, the club visited the Marathon Battery Company and listened to informative talks on the importance of chemistry.

**BIOLOGY CLUB**—Why did that plant die? What made it grow in the first place? The Biology Club proves to be the best place to answer these questions. It strives to stimulate an interest in the study of living things, both in the field and laboratory. Through speakers, movies, and field trips they tried to keep up on current biological research.

## Today's World Demands Mathematicians

**ADVANCED MATH CLUB**—This club is composed of those students who are taking or have taken second year algebra or advanced mathematics. Its purpose is to stimulate interest in the vocational aspects of mathematics, beyond its clerical and traditional uses so that the student may satisfy his own interests and choose a career in line with the needs of society. This year the club centered its program on the study of digital computers and data processing.

**BASIC MATH CLUB**—This club consists of students who are enrolled in or have had first year algebra or first year geometry. The purpose of this club is to stimulate interest in various phases of mathematics through a study of such topics as number bases, slide rule, logarithms, and various mathematical paradoxes. Contest problems are studied as a part of a program aimed at preparing the students for the time when they will be taking the State Math Contest and college entrance exams.

## Outside Interests Add Sparkle to Life

**BOOK CLUB**—This club particularly appeals to the many students who enjoy reading. The club was organized to help students become acquainted with the traditionally popular books as well as other outstanding books of the time. Students are taught to understand more fully the uses and functions of the library. Among the outstanding activities of the past year have been trips to such local libraries as St. Mary's Library, Marathon Chemical Research Library, and Wausau Employers' Mutual Library.

**DRAMA CLUB**—The aim of this club is to develop a keen appreciation of drama among the students of the school. It introduces them to the practical aspects of drama as well as the popular plays of the time. Group activities include such things as guest speakers, films, bus trips to local college plays, and numerous impromptu plays which are produced by the members of the club. This club has done much to increase its members' enjoyment and appreciation of the plays they see.

Row 2: Strei, Iken, Joseph, Nikolai, Baeseman.  
Row 1: Westberg, Thums, Lochner, McGuire, Lerch.

**ELECTRONICS CLUB**—The electronics club is composed of those boys who are interested in electricity and the various fields of mechanics. The club meetings revolve around lectures, demonstrations, and study of the latest published materials in this field. The purpose is to keep abreast of the latest developments and discoveries in this vast field. Membership in this club gives the boys access to equipment for working on projects and miscellaneous repair work. They also assist the school in projects which are of an electronic nature.

Student Commissioners: Jean Miller-Commissioner of Pep, Harry Duranceau-Commissioner of Publicity, Ron Fish-Commissioner of Finance, Marty Dettmering-Commissioner of Social Affairs, and Karen Barton-Commissioner of School Affairs.

**STUDENT COUNCIL**—"Democracy in Action" describes the Student Council, an organization of students chosen to represent the entire student body. The council places in the hands of the students the responsibility of making the school more than a pile of bricks. It promotes good citizenship, the importance of education, and a good student-faculty relationship. New amendments and ideas for a more efficient organization were introduced before the council.

The council is composed of the social, pep, school affairs, finance, and publicity committees. Various committees are set up for special projects, such as the Candy Sale and the Junior Red Cross Drive. The Student Council is also responsible for the all-school dances, football hops, assembly programs, and much of the Wausau Week Program. In addition, it makes collections for the American Field Service Program. The highlight of this year's council was the State Student Council Convention, which was held here in October. The convention gave the students a better insight into the workings of the Student Council organization.

# Wausau High Devotes Time and Effort To Host

Wausau High welcomes student council delegates.

## GENERAL CHAIRMAN AND SECRETARY—

This year Mr. Reynolds and Mrs. Mitchell acted as general chairmen and secretary of the State Student Council Convention. It was their job to organize and direct all the committees that assisted in running the convention. They arranged housing for the delegates and organized all materials in an orderly fashion so as to provide for a minimum amount of confusion when the delegates arrived. As a result of their hard work, the convention moved along very smoothly.

**WELCOME**—It was with pride and enthusiasm that the members of Wausau Senior High accepted the honor of hosting the 1962 State Student Council Convention. They did all in their power to make this a most memorable experience for all who attended. To better express the feeling of success of our high school in its undertaking, we would like to quote a paragraph from the "WASC Newsletter" that came out following the convention.

"We were wonderfully welcomed in Wausau. On October 12 and 13 the WASC had one of its most successful state conventions. The student body, student council, faculty, administration and all the staff of Wausau High School and the city of Wausau are to be congratulated for the well organized, efficiently run convention they had."

Mr. Reynolds

Mrs. Mitchell

- Row 1: Duranceau, Buzza, Schilling, Funk, Patefield, Thomasgard, Mathisen, Roehl, Gjetson.
- Row 2: A. Miller, Radloff, J. Miller, Bensen, Fish, Neitzke, Barton, Anderson.
- Row 3: Burnett, Carspecken, Meyer, Balz, Johnson, M. Gease, P. Gease.

**COMMITTEE CHAIRMEN**—Several committees assisted in the preparation for the Student Council Convention, and it was due to their enthusiasm and devotion that the convention was so efficiently planned and carried out. These committee chairmen are as follows: registration-Debbie Anderson, entertainment-Dave Patefield and Ron Fish, publicity-Harry Duranceau, luggage checking-Wayne Schilling, advisors' tea-Ellen Balz and Cheryl Burnett, transportation-John Buzza and Larry Funk, housing-Tom Thomasgard, envelope-Tom Roehl and Annette Bensen, advisors' breakfast-Andrea Miller, printed programs-Mary Radloff and Jean Miller, AFS-Mary Gjetson, punch and coffee hour-Connie Meyer and Carol Neitzke, luncheon-Karen Barton, dance-Kathy Carspecken and Barbara Johnson, and decorations-Mary and Penny Gease. Bob Mathisen acted as student chairman. Also, twenty-one students served as recorders in the discussion groups.

# 28th Annual State Student Council Convention

Student Council encourages international understanding.

**DISCUSSION GROUPS**—The delegates met in discussion groups Friday afternoon where they shared and learned information and knowledge on a variety of student council topics. Each was required to attend two different groups.

The discussion groups were divided into four basic areas. They were: Student Council Projects, Student Council Operations, Student Council Problems, and the Junior High School Section. These, in turn, were sub-divided into as many as ten specific discussion topics, some of the most popular of which were: "Developing Better Assemblies Through the Student Council," "The Role of the Student Council in Controlling Teen-Age Drinking and Vandalism," "The Role of the Student Council in Building School Spirit, Morale, and Conduct," "How to Develop Support Among Faculty Members and Students for the Student Council," and "Sound Service Projects for the Junior High School."

Heated discussions arose in the numerous study groups.

**AFS STUDENTS**—International understanding among governments and peoples is important, but there are many barriers to international understanding. These arise as a direct result of our differing forms of government and social customs.

The student council is aware of these problems and has done much to stimulate good will and understanding through their support of the American Field Service. Exchange students are encouraged to tell of their governments and customs. In turn, we in our country strive to give them an understanding of our government and ways of life. One way this is done is by making the AFS students honorary members of the Student Council and each year inviting them to attend the State Student Council Convention.

WHS cafeteria served six hundred hungry delegates.

**"AN ACTIVE COUNCIL IN A CHANGING WORLD"**—This was the theme of the 1963 State Student Council Convention.

From the opening program Friday morning, to the benediction Saturday noon, the delegates gained from a goodly number of interesting and valuable experiences. New friends were made at the Friday night banquet. The floor show put on by the Franklin School Fun Band and the address given by the President of the U.S. National Student Association, Mr. Dennis Shaul, were greatly enjoyed. At the dance that followed, door prizes were given away and skits were put on by delegates of the past summer's Workshop Council.

Saturday morning new officers were elected and an invitation from Sheboygan South High School for the next state convention was accepted.

#### SKI CLUB OFFICERS

ROW 2: Gabriliska, West.

ROW 1: Arvold, Funk, Jackson.

**SKI CLUB** — A statement frequently heard among ski club members, "I wish it would snow," is not only a wish, but a plea. This snow is needed to fulfill the club's annual activities. Together with the advisor, Miss Bonvincin, the president, Larry Funk, and vice-president, Jack Jackson, the club takes the responsibility of sponsoring the ski style shows, ski movies, and speakers to demonstrate correct skiing techniques. They must also provide ski instructions for ski schools, and sponsor ski trips to other areas. It was the duty of the secretary, Ruth Ann Arvold, to see that all members receive membership cards. The treasurer, Pam West, made sure the membership dues were collected. To climax the club's activities, they provided equipment for a ski training program.

## Eager Students Participate In A Large

**CURLING CLUB** — For the sixteenth year, Mr. Harry Johnson, advisor and coach of the curling club, has promoted curling as one of the several sports which are offered in the Wausau Senior High. Wausau is a member of the Mid-Wisconsin Curling League and plays a round robin with the following schools: Medford, Stevens Point, Port Edwards, and Waupaca. The winner of the round robin is named

league champion. The club also participates in four bonspiels, namely, Poynette, Wausau, Portage, and Madison. Two rinks composed of four boys play in these events, and in March the best rink of the club plays in the regional playdown. The winner in regional playdown plays in the State Playdown to determine the champion.

 ROW 1: Hoeft, Nimz, Nievinski, Millard, Novitzke, Kettunen, Heisler, Syring, Steidl.

## Variety of Active and Skillful WHS Sports

**ARCHERY CLUB** — Practice makes perfect! Archery Club members keep this in mind when they plan their two or three outdoor shoots each year. During the winter when it is too cold for outdoor shoots, the club has indoor shoots in the girls' gym. Through dues and candy sales, the club was able to purchase heavy duty bales for targets and arrow stops. They also purchased trophies for the winner of the final shoot at the end of the year.

**RIFLE CLUB** — "A real rifleman always handles a gun safely." The members of the Rifle Club will adhere to this slogan as a Junior Chapter of the National Rifle Association. The project they plan to undertake will be to obtain a city owned rifle range for the citizens of Wausau. This range could then be used by the club and the citizens of Wausau for the safe discharging of firearms.

## Varied Interests In Photography Are Developed

**PROJECTIONIST CLUB**—If you enjoy movies in your classes, you may wonder where they come from, or why there aren't more of them. This is the responsibility of the Projectionist club. The club runs movies and slides for teachers, as well as schedules them on request. The members are efficiently trained to run all movie equipment for classes, and give up their free periods to do so.

**CAMERA CLUB**—What's a good picture? How do you develop, print, and enlarge pictures? This is the discussion that takes place during the meetings of the Camera Club. The members combine their interests in photography to formulate the correct techniques used in taking pictures. Mr. Shawl, the advisor of the club, an avid photographer himself, gives his various opinions and viewpoints during these discussions.

Row 3: Krueger, McDonald, Kordus, Nicholai, Schoenfeld, Schreiner, Weiner, Shelbrack, Biel.  
 Row 2: Ollhoff, Erlandson, St. Clair, Albright, Knudson, Jehn, Jehn, Wenzel.  
 Row 1: Londerville, Rachu, Utecht, Filber, Shelbrack, Pilgrim, McDaniel.

# Pep Club Officers Direct WHS Enthusiasm and Spirit

**PEP CLUB**—What's pep? That's the stuff that leads the school teams to victory! It consists of developing and learning new cheers, and promoting school spirit to stimulate a large, eager audience. With such spirit, attendance is increased, and our team is more likely to be victorious. The Pep Club is the center of all this pep, sponsoring the annual Booster Buttons and Pom-Pons sale for Wausau Week, making posters for the games, and establishing pom-pom and glove sections. These sections perform during quarters and half times, and help overall to promote general enthusiasm for the games.

Pep Club Officers: Miller, Fish, Rydell, Vigneau.

International Club Officers: Kinalioglu, Terwilliger, Vigneau.

## WHS International Club Discusses Foreign Relations

**INTERNATIONAL CLUB**—What takes place in the other countries of the world? The understanding of the problems in foreign lands and the international relations of today are a part of the complete program of the International Club at WHS. Members discussed these problems and relations in acquiring a thorough knowledge of the world about them. To develop this knowledge, Mr. Howe and Mr. Stade gave their viewpoints on foreign and domestic policy, giving both liberal and conservative sides. John Heyward of Marshfield told of his six month, 20,000 mile, hitchhiking tour of Europe, costing a total of \$197. The club organized and sponsored a school dance on December 14, 1962. The club's activities were concluded with a talk by Nurcan Kinalioglu, our exchange student from Turkey, on the differences between dating in her country and dating in the United States.

## WHS Debate and Forensic Teams Complete A

**DEBATE**—This year our "Varsity Debaters," coached by E. C. Marquardt, won over seventy-five of their debates and took first place or tied in the following invitational meets: Rhinelander, White Fish Bay, Monona Grove, and Eau Claire College

"Interstate." They were also district and sectional winners in the official tournaments of the Wisconsin High School Forensic Association, which paved the way to the state finals in Madison for the twentieth consecutive time. Here they won two trophies.

### **JUNIOR VARSITY:**

Row 2: Lang, Weiner, Marth, Norberg, Chaignot, Edwards, Smit, Tranetski.  
 Row 1: Schumacher, Meyer, Tinkham, Bliss, Etzkin, Flaker.

**FORENSICS**—Wausau had its most successful forensic season in many years. After a series of tryouts in home speech contests, they won top honors in the Wisconsin Valley League meet held at Rhinelander. Wausau also won fifteen out of a possible seventeen type "A" awards. The "A" winners went on to represent Wausau in the District contest held at Stevens Point College.

ROW 4: Nelson, Goertz, Erdman, Schultz, Anderson, Ursin, Edwards, Smit, Larsen, Rolfson, Bundy, Kroening.

## Foreign Language Students Develop Skills

**GERMAN CLUB** — The yearly picnic or banquet, slides of Germany, German skits and songs, and the preparation for International Night were the basis for the success of this year's German Club. Miss Garson, the advisor of the club, along with Jim Bundy, president, Jim Colby, vice-president, Sandy Will, secretary, and Webster Wilke, treasurer, made sure these activities of the club were carried out efficiently and correctly. They tried to further the knowledge of the students concerning Germany and the German language.

**SPANISH CLUB** — What are the cultural aspects of the Spanish-speaking people and their countries? This was the question kept in mind throughout the meetings of the Spanish Club. Under the leadership of Miss Bonvincin, club advisor, Tom Leffler, president, Andy Miller, vice-president, and Jean Miller, secretary-treasurer, the club introduced these aspects to the members and conducted programs in keeping with the Spanish and Mexican holidays. They also invited speakers who have traveled in Spanish-speaking countries, and climaxed the club's activities with movies of Spain.

ROW 3: Tinkham, Post, Schmidt, Leffler, Yelich, Schuetz, Kluender, Yonke, Westgate, Erdman, Neess.  
 ROW 2: Piehl, Rowland, Thomasgard, Wilke, Hoffman, Fehlhaber, Miller, Meyer, Ross, Anderson.

 ROW 1: Heikkinen, Goodwin, Bundy, Vanderwalker, Tewksbury, Muzynoski, Bangle, Wheeler, Colcord.

## In Using German, Spanish, French, and Latin

**FRENCH CLUB** — To advance the study of the French language, the French Club held a banquet during the second semester, featuring French foods and decorations, developed International Night skits and activities, and played many French games. Mrs. Scheurman, the advisor, Kathy Carspecken, president, Nancy Servis, vice-president, Chris Carspecken, secretary, and Vicki Bangle, treasurer had the job of directing one of the school's largest French Clubs ever. To climax the club's unique activities, members purchased club pins for the first time.

**LATIN CLUB** — This year the Latin Club strived to acquaint interested Latin students with ancient Roman customs, values, and ways of life in a recreational manner. Together with their participation in International Night, and observance of many Latin holidays and festivals, it was the duty of the advisor, Miss Marsh, president, Luke Parsch, vice-president, Bob Norberg, secretary, Nancy Servis, and treasurer, Roger Blakewell, to see that the candy sale and the Latin banquet functioned properly.

ROW 2: McCoy, Kluetz, Blakewell, Parsch, Servis, Page, Kruit.  
 ROW 1: Gustafson, Williams, Howard, Neese, Hintz, Allen.

Row 1: Ryan, Sturgeon, Treptow, Duranceau, Gleason, Reynolds, Lewis, Baesman, Rahne, Clark.

## “Pygmalion” Gets Professional Touch

Eliza smiles whimsically at her “Pygmalion,” Henry Higgins.

After much time and effort, this year's senior class gave a truly professional touch to their production of “Pygmalion,” Mary Gjetson portrayed Eliza, the sadly neglected flower girl who was transformed into a sparkling duchess while Jan Hettinga, as Henry Higgins, posed as her instructor and guardian. The play was accented by a group of cockney dancers who made pre-play and half time performances. The play was a success both financially and in terms of audience appeal.

## "The Man Who Came To Dinner"... And Stayed

That favorite old chestnut of the theatre, Kaufman and Hart's "The Man Who Came To Dinner," was the vehicle for thirty three WHS sophomores, juniors, and seniors learning theatre skills. From the moment that the caustic Sheridan Whiteside lands bumptiously on the Stanley doorstep, until his equally noisy departure, the audience and cast had

a good time. Jim Smit, a sophomore, was a suitably sardonic Whiteside and Kathy Carspecken, John Buzza, Ann McKeough, Mike Genrich, and Wayne Schilling also had starring parts. The entire cast, however, is indeed deserving of a great deal of credit for the many hours they devoted to the production of "The Man Who Came To Dinner."

"Now look here, Mr. Whiteside."

"Dear Maggie, long may she wave!"

## Special Skills and Talents Are Developed

**G.A.A.**—All girls' sports in Wausau Senior High are sponsored by the Girls' Athletic Association. This club was organized to stimulate interest in wholesome leisure-time activities, and to provide for fun and competition in popular games and sports.

This year the membership has climbed to a high of four hundred and twenty-five girls.

Our local organization sponsors tournaments in such sports as curling, badminton, volleyball, basketball, table tennis, bowling, and golf.

**MUSIC CLUB**—This organization is designed to acquaint its members with all types of music. The meetings are meant to be both educational and entertaining. The only requirement for membership is that those who attend come to the meetings to listen. Dues are small and are collected with the sole purpose of buying necessary music supplies to make up a well-rounded and year-long listening program.

## We Observe, Aid, and Reproduce Nature

**ART CLUB**—This club is composed of students who enjoy art and are interested in promoting it in the school and the community. It is their endeavor to raise the standards of art appreciation. Field trips frequently offer members excellent opportunity to study and enjoy fine objects of art. Each year the members of the art club sponsor exhibits and have a sale to raise money.

**CONSERVATION CLUB**—This club is open to all boys interested in conservation. Its purpose is to help every citizen use carefully and wisely the nation's natural resources—its forests and wild life, waters, soils, and minerals. The members of this club spend a great deal of their time planting and harvesting trees as well as working to improve the facilities of the Wausau High School Forest.

## Students Prepare For Future Professions

**SENIOR GREGG** — This club is made up of girls enrolled in Shorthand III and IV and Advanced Bookkeeping. It has the dual purpose of helping the students become familiar with various business careers and acquainting numerous employers with capable young girls. To further these ends, each month the club invites speakers experienced in particular areas of business to visit the meetings.

**JUNIOR GREGG** — This club draws its membership from among the girls enrolled in Shorthand I and II. It provides opportunities for young people who are starting a business education to meet local businessmen and women who appear as guests at the monthly meetings. This year the club is sponsoring an awards program for outstanding shorthand students.

ROW 3: Breen, Rodemeier, Benz, Buss, Walters, Trempe, Krueger, Pagel, Kolbe, Biel, Kromrei.

 ROW 1: Krohn, Taylor, Ninnemann, Freeman, Hieronimus, Kleutz, Doede, Duranceau, Meurett, Shibilski.

## By Evaluating Various Vocations

**FUTURE NURSES' CLUB** — The Future Nurses' Club of our school is a charter club in the national organization of Future Nurses of America. Its purpose is to acquaint interested students in the various fields of nursing and to help them to learn something about the profession in advance of entering nursing school. Under the guidance of Miss Doris Maxfield, these girls assisted with tuberculin tests at our school this year.

**FUTURE TEACHERS' CLUB** — The Future Teachers' of America Club is a national organization sponsored by the National Education Association. The purpose of this club is to interest high school students in the profession of teaching and to give these people prevocational information and experience. In appreciation to the faculty, these students work as guides at the P.T.A. meetings throughout the year.

ROW 3: Baumann, Schultz, Lenz, Ubbelohde, Pergolski, Strohbirch, Schalow, Juedes, Marquardt.  
 ROW 2: Kellogg, Bentz, Moellendorf, Olson, Engebrecht, Kleman, Gray.

 Row 1: Fenhaus, Milanowski, Utecht, Dittmar, Bethke, Seliger, Wolfe, Abraham, Breunig.

## Agricultural Training Insures A Better Tomorrow

**FUTURE FARMERS OF AMERICA**—Mr. Hylkema directs the WHS Chapter of Future Farmers of America. The boys in FFA are interested in development of character, leadership, and farming programs. They gained experience by entering the contest held in Madison this spring. Dairy products, dairy cattle, and fat stock were judged for their quality. The group is also active in other activities which are valuable in the field of vocational agriculture.

**JUNIOR DAIRYMEN'S ASSOCIATION** — The Junior Dairymen's Association provides an excellent opportunity for boys interested in the dairy industry. The dairy herd testing program and instructions in better dairy management constitute most of the activities of this group. By attending district meetings and the state convention, members participated in the state organization. They learned of local dairy operations when they visited the Lemke Dairy Plant in April. The group's advisor is Mr. Hylkema.

Row 2: Noeb, Schult, Grunenwald, Woller, Schmidt, Christiaansen, Miller, Borchardt, Weiss, Dittmar, Felch, Seliger.

 Row 1: Kuschel, Gotski, Janisch, Lehman, Lee, Dietsche, Kufalk, Schmolz, Schulrud, Luedtke, Cline, Geier, McWatters.

## Monitors Provide For An Efficiently Run School

**MONITORS**—This year something new was tried. The monitors were all hand-picked to insure the greatest amount of efficiency in running the school. These students work during their free periods delivering messages and carrying out any other duties that may be assigned to them. Their job is optional

and without credit.

Those who have satisfactorily completed two semesters of service receive certificates of recognition; those who have completed four semesters receive a "W" insignia. Each one renders a valuable service to the school.

Row 4: Felch, Taylor, Gisselman, Hoff, Schaefer, Frick, Kopplin, St. Clair, Zilch, Schuetz, DeByle, Woller, Fehlhaber, Pupp, Linster, Frickenstein, Heinz, Kleiber.  
 Row 3: Meyers, Radloff, Berna, Rogalla, Cephress, Fisher, Luedtke, Hussong, Leonard, Nelson, Hackbarth, DeBoer, Zilch, Donaldson, Dumdey, Chamberlain.  
 Row 2: Wendorf, Glasel, Drehmel, Pagel, Beckman, DeHaven, Piehl, Reinke, Rodemeier, Nimz, Engenbrecht, Neese, Lenz, Hieronimus, Aird, Robbins, Dzubay, Lehman.

**CUSTODIANS**—Genrich, Beese, Schoenick, Heisler, Henke, Pischke, Ramthun. (Absent: Pophal, Edwards, Venske).

**CUSTODIANS**—Some of the busiest people in our school are the custodians. They keep the building clean and in repair. Besides sweeping 6,000 square feet of floor each day, they repair or replace broken windows, lockers, and desks. In the winter, they also clear the walks of snow. While we are enjoying summer vacation, the custodians continue their work. They clean the building from top to bottom, and keep up the appearance of the campus by taking care of the lawn, shrubbery, and flowers. For these services, we students owe the custodians a debt of gratitude. Because of their efforts, our school is a better place.

**Custodians**—Raduenzel, Wekert, Borchardt, Paszek, Radtke, Roeder, Sneed. (Absent: Wienke).

**STAGE CREW**—Have you ever wondered who gets the show on the road? The tedious hours that the Stage Crew spends in setting props, scenery and backdrops, adjusting properly for effective lighting, and other innumerable items are revealed as the curtains part. Stage Crew members are on call for all assembly programs, school plays, Stunt Night, and Tophatters. Much of the success of these productions was due to the efforts of this crew. The supervision and direction of this group are under the management of Mr. Gjetson and Mr. Henke.

Row 2: Hieronimus, Anklam, Gohdes, Goetsch, Botsford.  
Row 1: Bliese, Weden, Benke, Gaulke. (Absent: Warner, Lemke, Lemke, Goetsch).

**BUS DRIVERS**—Transportation for Wausau area schools is big business. A talk with Mr. Rudy Botsford, transportation director, will convince you of this. Twenty-four busses service an area covering 256 square miles. Besides the Wausau High Schools, the busses transport students to schools in the townships of Berlin, Hewitt, Rib Mountain, Stettin, Texas, and Wausau. The operation cost for these busses is 31.6 cents per mile, and the per pupil cost is 34.1 cents per mile. Drivers are up at dawn to pick up students and get them to school for the opening bell. Arriving daily on the busses are 589 Wausau High students, who greatly appreciate this transportation they receive.

## Efficient Functioning of WHS Activities

**PUBLIC ADDRESS CREW**—The boys on the Public Address Crew have been very busy this year in equipping each program with sound and public address apparatus. They work in cooperation with the Stage Crew to provide each performance with the best possible conditions for a successful program. The Public Address Crew is an important addition to our school, since no program is complete if the sound intensity is faulty. These boys, and especially their student chairman, Ronald Nikolai, deserve a special word of appreciation for the many hours they have worked.

**CAFETERIA STAFF**—Soon after the noon bell rings, the corridors become crowded with students all hurrying in one direction . . . the cafeteria. This sight of eager eaters is one of the cafeteria staff's rewards for their efforts. This staff, under the direction of Mrs. Trittin, begins working at 8:00 AM, preparing nourishing meals for the students. It is no small task to provide food for the many students who eat in our cafeteria. The cafeteria staff deserves the gratitude of our students for this vital service to our school.

Cafeteria Staff—Trittin, Krueger, Doede, Schubring, Sours, Camps.

# *Student Life*

Nurcan Kinalioglu and Tom Terwilliger were exchange students.

Nurcan Kinalioglu was a welcome addition to Senior High this year. As a member of the American Field Service, she came to Wausau from Istanbul, Turkey, and stayed with Pat Donaldson and her family. She has definite opinions about life in America. School life in Turkey is quite different from that in Wausau High School. She attended a girls' school at which courses such as psychology and science were stressed. One thing that Nurcan noticed in America was the lack of closeness in American families. Although they were friendly, she mentioned that American boys were not as well mannered as Turkish boys.

Tom Terwilliger spent his summer in Costa Rica. He also was sponsored by the A.F.S. It was interesting to compare the customs of a country in our hemisphere to our own. Costa Rican students study eleven subjects with mostly memory work instead of thought. The people boast that there are more teachers than soldiers in their country.

Tom and Nurcan enjoyed their stay in Costa Rica and America and they describe it as "an unforgettable year" in their native language below.

## Unutulmaz Bir Sene - Un Ano Inolvidable

Members of Nurcan's family include her father, Seref, and older sister, Hiilya, in the back row. Her mother, Nephan, sister Funda, and her grandmother, Sekure Yazici, are in the front row.

Costa Rica was Tom Terwilliger's home last summer. Standing with him is his family, Mr. and Mrs. Abel Ortiz and their nieces, Anna and Lily. There were also two teenage boys in the family.

## “Harry-Hairy” Assemblies Provide Thrills

Senior high was privileged to have assemblies which included a variety of comedy, culture, and recreation, all the way from hairy chimpanzees to Harry John Brown.

Perhaps the favorite was the appearance of the Milwaukee Symphony Orchestra under the direction of Harry John Brown. Highlights from the program included several classical numbers and hits from the musical “Gigi.” The standing ovation the orchestra received showed the students’ enthusiasm for the performance.

Other entertaining assemblies included Anna and Paul Del Monte and their two chimpanzees, Boo-boo and Zsa-zsa. Two national table tennis champions demonstrated various rules and techniques of the game. Two drama students from the University of Wisconsin gave a reading characterizing important Civil War leaders.

Our school also furnished talent for several assemblies. The choir gave a very inspiring Christmas program. An explanation of dance and band music was given by the Tophatters. The band performed in a spring concert at which Ellen Balz and Walter Brandenburg were soloists. Trampoline demonstrations were also given by students during the half-times at the basketball games.

Harry John Brown and his orchestra gave an unforgettable assembly.

# Planning Provides The Way To Success

**WAUSAU WEEK** didn't just happen; the planning committee spent many hours preparing events for the entire week. A kick-off assembly at which the football players and queen candidates were introduced began the week. Mr. Brockmeyer gave a talk comparing the two teams and asked for full support for the Lumberjacks since they would be playing a difficult game. Booster buttons and pompons were sold to the students. One of the highlights of the week was Mad Hatters Day which replaced Hex Day of last year. Creative hats calling attention to the game with the Eau Claire Old Abes were worn by the students. Ten grand prize winners were chosen from the student body and were presented trophies. The week was memorable for everyone.

# Campaign Sets Fast Pace For Wausau Week

Wausau High was filled with enthusiasm during Wausau Week as everyone campaigned for his favorite candidate. Many new ideas were used this year and an outstanding campaign was the result. Large posters were displayed in the assembly hall and corridors and students wore signs supporting their choice. Each candidate had cars painted to represent her. Tuesday noon was the highlight of the campaign. The cars met at Thom Field and paraded around the school. The campaigning was ended as students went to their home rooms to vote.

# Tension Builds Up During Wausau Eve

The high point of Wausau Week came Thursday night on Wausau Eve. A movie, "My Sister Eileen", and a dance preceded the program. At 9:00, Jim Bundy, the Master of Ceremonies, opened the program by introducing the cheerleaders. Skits were presented by the Pep Club and teachers. Special guests were Miss Wisconsin and Elijah Pitts and Willie Davis of the Green Bay Packers. The highlight of the evening was the crowning of Mary Vigneau as the Wausau Day Queen.

Kicking-off for our Jacks in a skit are Joni Libman, Naida Janikowski, Dorothy Church, Harlene Nelson and Cynthia McElroy.

Pat Rogers, Jane Tallor, Janis Rowland, Kay Ryan, Carolyn Ludwig, Mary Hahn, Joanne Doede, and Jacci Duranceau dance on Wausau Eve.

Miss Wisconsin crowns Mary Vigneau Wausau Day Queen as her court, Larry Funk, Jean Miller, Tom Terwilliger, Doris Jenson, Ronnie Fish, Mary Gjetson, Bob Reynolds, Debbie Anderson, and Luke Parsch stand with her before her throne at the close of the program.

A cry of joy came from Mary Vigneau as the roving spotlight fell on her and she was pronounced as the Wausau Day Queen. Until this moment, much tension had prevailed among all the students.

# Victory Climaxes Wausau Week Events

School spirit was emphasized Friday on Wausau Day when everyone wore red and white clothes to school. A pep assembly was held to introduce the football players. Before the game, the queen and her court were introduced as they rode in convertibles. The Pep Club demonstrated its talents by doing routines with pompons and red and white gloves. The band and twirlers also performed during half-time. The Jacks didn't let Wausau down. They defeated Eau Claire 26-13. The hard work of everyone paid off in making the entire week a success.

Laurie Telder, Celeste Duckworth, Ann Schlitz, Jean Miller, and Lynnette Plybon show how the Jacks are made from school spirit.

Students anxiously await the beginning of our Wausau Week game as the queen and her court arrive in convertibles.

The game with Eau Claire began after Mary Vigneau presented the football to Al Kuehl and Marty Dettmering, co-captains of the football squad.

The presence of Willie Davis and Elijah Pitts of the Green Bay Packers was a real inspiration to our Jacks.

Couples enjoy music and dancing at the junior girls' Holiday Dance. The theme, "Mistletoe Magic," set the atmosphere for the dance.

## Holiday Dance Accents Christmas Season

One of the main social events of the school year was the Holiday Dance held December 27th from 8:30 to 12:00. It was sponsored by the girls of the junior class with Ruth Pukis and Charmaine Smith as general chairmen. Mrs. Dzubay served as faculty advisor. This year the theme was "Mistletoe

Magic." The Elks Club was appropriately decorated with winter scenes of mistletoe and elves. Punch and cookies were served by freshman girls dressed as elves. Over two hundred couples danced to music by Jerry Stueber's Orchestra. Several informal parties were held before and after the dance.

Holiday Dance Committee Chairmen: P. Disbrow, M. Stahmer, D. Mergendahl, C. Schwichtenberg, J. Goodwin, C. Smith, R. Pukis, M. Sargent.

## Candy Sale and Dances Show Enthusiasm

Senior high went over its goal and sold 7668 boxes of salt water taffy this year which netted more than \$1,000 to be used for scholarships. The candy sale was headed by Jan Hettinga with Jacci Duran-ceau as assistant chairman. The grand prize of

\$10.00 was won by Donna Doede who sold 128 boxes of candy. Second level winners were Nila Metcalf, Dan St. Clair, Kathy Miller, Sheryl Bierbrauer, and Carol Krueger. The kindergarten classes also helped by selling a large share of the candy.

The YMCA conducted dances after the basketball and football games.

The Red Rail promotes recreation after school in the new YMCA.

## Imaginary Paradise Provides Theme For Prom

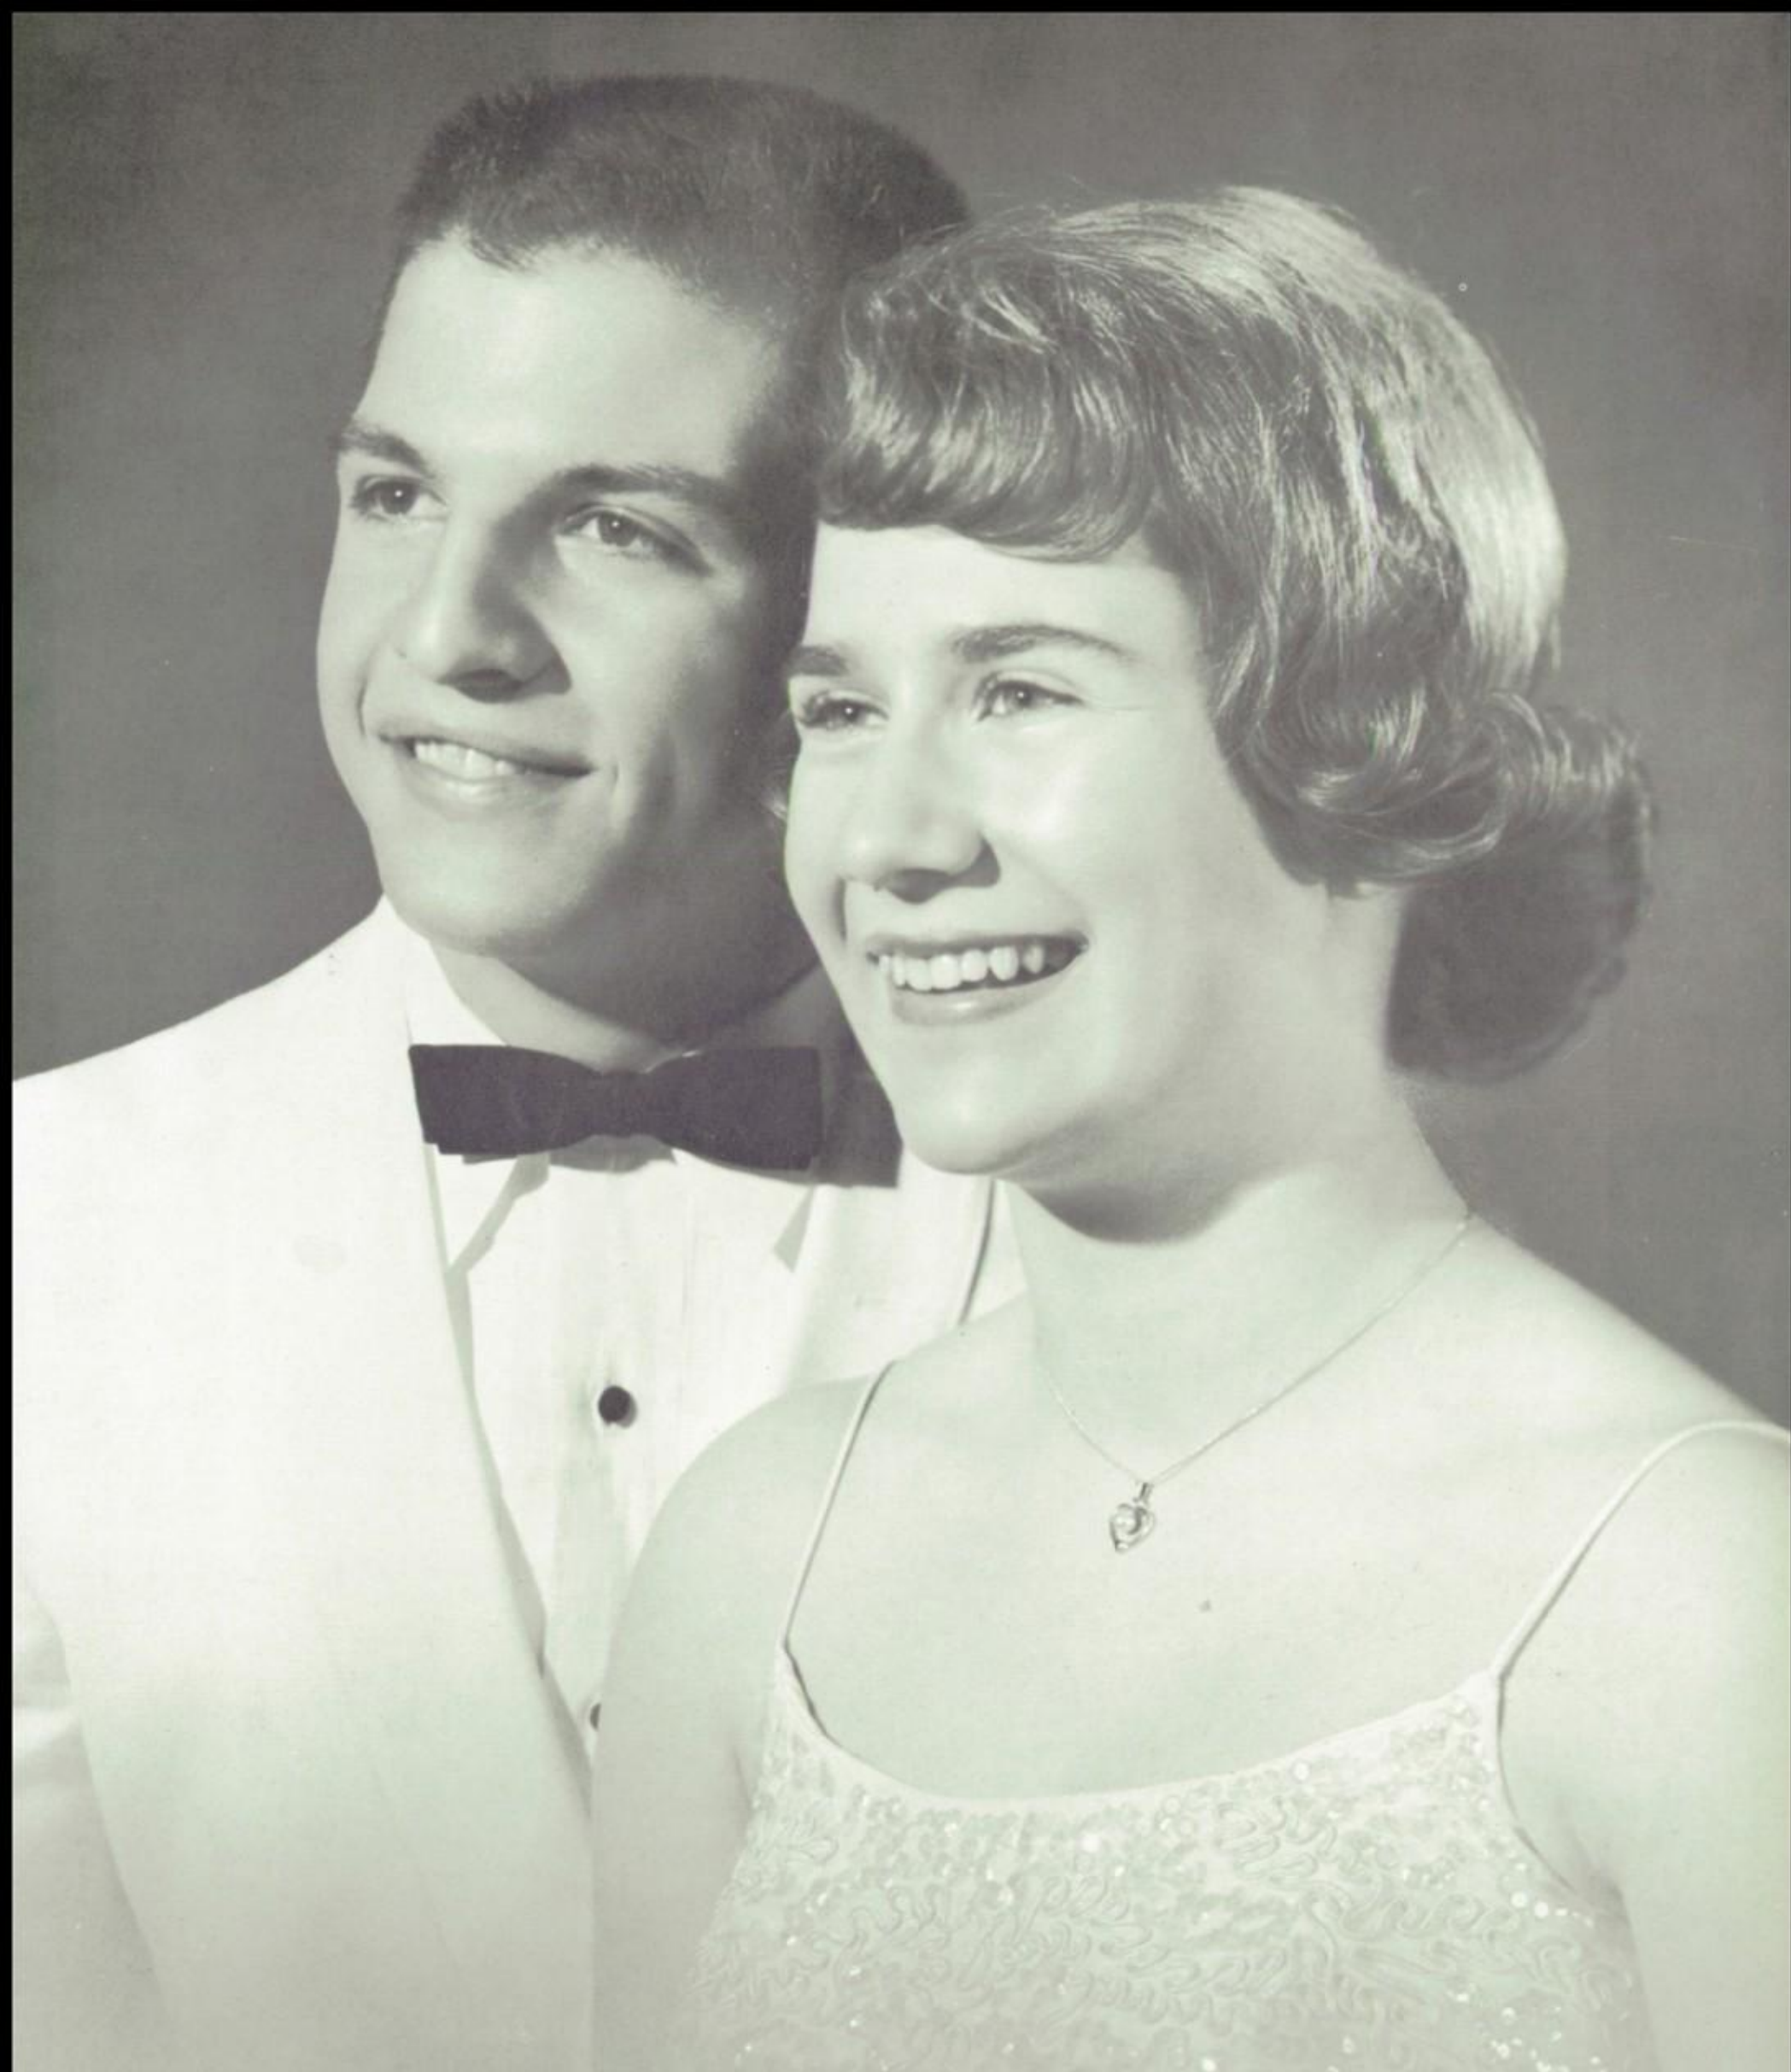

There was a place for us—"Somewhere." The Junior Prom was held May 10 from 8:30 to 12:00 in the Youth Building at Marathon Park. The theme "Somewhere" was carried out in the decorations. The entire setting portrayed an imaginary paradise with abstract flowers and murals. Dry ice produced an atmosphere of mystery. Larry Woodbury's Or-

chestra provided the music. Punch and cookies were served by freshman girls. President of the junior class, Paul Klemm, and his date, Laurie Telder, were crowned king and queen and led the Grand March. The capable and competent faculty advisor was Mr. Stanley Woods.

Enthusiastic juniors started work on the prom decorations early in the year to prepare for the largest social event of the year.

The chorus of "A Waltz Dream" provided some of the basic music for the operetta. Kathy Schwartz and her Viennese friends sang in the cafe.

This year the choir presented an operetta called "A Waltz Dream." The director was Miss Pierce. The setting was in Sylvania, a province in Europe. Princess Helena (Susan Hassel) falls in love with Nicki (Gary Koerten) and brings him home to be married. However, he doesn't love her and instead falls in love with Kay (Kathy Schwartz), an American tourist. The affair is settled happily when Rupert

(Jim Smit), Helene's long, lost lover who has been banished from the kingdom, is forgiven and comes back.

Other people with leading parts were Ron Baeseman, Nancy Poppe, Barbara Bey, Ron Jacobson, Don Zimmerman, Tom Schwartz, and Pat Knudson. Music for the operetta was provided by some of the orchestra members.

# Senior High Wins Coveted Bellamy Award

A beautiful winter day provided a pleasant setting for Wausau Senior High, home of the 1964 winner of the Bellamy Award.

The 1964 National Bellamy Award, most respected and coveted honor to be bestowed on any public secondary school in the United States, has come to Wausau Senior High School. Only once in fifty years does each state have the award presented to one of its schools. The recipient, selected for accomplishment in developing and maintaining excellence in education and consistently high ideals of citizenship, remains a member of the esteemed Bellamy Award Family for a half century, until its state is again eligible to present candidates for the award.

Senior High will receive the twenty-third annual award at ceremonies already being planned for October 9, 1964. The Award pays tribute to Francis Bellamy, author of the original Pledge of Allegiance, and affords a unique recognition of superior quality education and citizenship to the chosen school.

Announcement was made May 17, eve of the 108th birthday anniversary of Francis Bellamy. Each year the American Flag flown from the Nation's Capitol on Bellamy's birthday is presented to the winning school at the October ceremonies.

The Bellamy Award Board determines the winning school through careful study and evaluation of material and information assembled by the principal.

Nine members in various states comprise the Board.

Effective curriculum, school publications, accomplishment of principal and faculty, school citizenship, alumni records—these and many other equally important factors helped establish Senior High in the cherished role of 1964 Bellamy Award School.

Pictured below is a copy of the Pledge of Allegiance as originally written by Francis Bellamy in 1892.

*I pledge allegiance to my Flag and (to)  
the Republic for which it stands—  
one Nation indivisible—with liberty  
and justice for all.*

# Brock Leads Jacks To 21st Title in 26 Years With 3-0-1 Record

## WAUSAU-41 Stevens Point-6

If I were to call this game a one sided affair, I would have given the best possible summary. If you are asking why, keep on reading. Wausau gained 378 yards to Point's 62, and was led by Al Kuehl who gained 143 yards in nine carries and scored 20 points on three touchdowns and two extra points.

## WAUSAU-41 Wisconsin Rapids-13

Did you ever hear of runs of 83, 52, and 90 yards from scrimmage; an 80 yard kick-off return in one game? Enough? Dick Thurs averaged 33 yards per carry in gaining 198 yards, while Kuehl punted for a 48 yard average, which is better than any punter in the National Football League.

The lines meet as Wausau moves closer to the Point goal in first game.

## WAUSAU-7 St. Louis Park-6

This was Wausau's lowest offensive output of the season as only 113 yards were gained. The small attack was led by Fish with 64 yards in ten carries. He also scored our only touchdown. Tom Omholt showed one of the reasons for his many honors as his terrific play led the defense.

Fleet-footed Al Kuehl goes for a five yard T.D. in third period against Point.

Quaderer scampers for a first down in title game against Eau Claire, won by Wausau.

#### **WAUSAU-20 Menominee-7**

Kuehl scored on a run of eight yards, passed to Patefield for 18 and 21 yard touchdown passes, and scored two extra points in leading Wausau to its fourth straight victory. This victory led to a ranking of fifth in the state by United Press International. Wausau gained 264 yards in picking up 14 first downs.

Kuehl shows his amazing defensive ability on this 39 yard interception which was nullified by penalty in the Eau Claire game.

## **Coach's Record Soars To Impressive High 175-23-8 (85%)**

#### **WAUSAU-20 Marinette-7**

Quaderer, Dettmering, Omholt, Klemm and Theilig paced Wausau in this victory. Although the play was sloppy at times, our team, number five in the state, set the stage for the game which should have decided the BRC title. The touchdowns came on runs of three and nine yards and a Dick Roe to Dave Patefield pass.

#### **WAUSAU-6 La Crosse 6**

Duranceau, with some outstanding work, led our defense in holding La Crosse's number two ranked team to 202 yards. Our offense, however, had considerably more trouble. With two minutes showing on the clock, Kuehl broke for 61 yards to the six. Two more plays brought the Jacks to the one yard line and the end of the game.

#### **WAUSAU-26 Eau Claire-13**

One of the greatest and most celebrated high school coaches in Wisconsin's history has led our Jacks to their 21st title in 26 years, all under his leadership. He developed a team boasting three lettermen to a ranking as high as fifth in Wisconsin. This game was a team effort by his own words and leaves us with another memento to our great coach. Congratulations to Brock and also to the rest of the coaching staff.

#### **WAUSAU-13 Superior Central-14**

Wausau led the Vikings in first downs, 12 to 7 and yards, 206 to 145, only to lose by a point. This loss ruined Wausau's bid for its first undefeated season since 1957, and while Superior was definitely a good team, Wausau was far and away the better of the teams.

Quaderer "tackles?" a Rapids player in 41-13 victory over Red Raiders.

Roe breaks away for a good gain in Eau Claire game, won by Wausau.

## Omholt on AP and UPI All-State Teams;

### Kuehl, Dettmering, Omholt Big-Rivers Conference Team

#### KUEHL, OMHOLT—CHANNEL 7 ALL-STARS

Many people will remember Jim Otto. For those who don't, let me say that he was the last center to make all-state from Wausau. That was six years ago and he is now known as the best center in pro-football. We now have a fellow we can compare with Jim in the person of Tom Omholt. He has been named by Brock as the best center he has coached since Jim. He has been picked by Mark Zelich, the head of the sports staff of WSAU-TV as outstanding. Tom didn't hike a bad ball all season and was good on defense as a linebacker. In the remaining space, let's look at the main cog in our defense. This would be our middle-guard Marty Dettmering who was also the defensive captain. Hold Marty responsible for the spark and stamina this group had. Since Kuehl's work on offense is looked at in detail on page 95 let us say only that his work as defensive halfback was as good as his offensive work.

## Kuehl Leads Overall Team Statistics

A. Hagemann - Ticket Sales Manager.

Ticket sales again remained basically the same. They were sold in advance at a local drug store, and letters were sent to people asking if they would like season tickets. This system worked out quite well. All other tickets were sold at the gate.

Al Kuehl played the role of workhorse for Wausau this year. He led in rushing, scoring, passing, kick-off returns, punt returns, kick-offs and punts. He also led in total offense. This is the number of yards gained (net) passing and rushing. Al led this department in grand style by running for 891 yards and passing for 133 yards to give him a total offense of 1024 yards, 760 yards more than his closest competitor. Our hat goes off to Al.

## Season Highlighted by Wins Over La Crosse and Eau Claire

None of us will ever forget two games in particular this last year. The first was a tremendous upset of La Crosse Central who was ranked number 12 in the state by UPI. The score was 67-61 and makes the game sound closer than it actually was. Wausau took the lead early in the game and never gave it up. The second was a really unforgettable upset — the 83 to 66 victory over number 2 ranked Eau Claire Memorial. Before 2600 fans, the Wausau Lumberjacks gave Eau Claire a beating neither Eau Claire nor Wausau will ever forget.

Ken Schiefelbein led in scoring and played guard.

Al Kuehl was our top rebounder and was starting forward.

Jim Severson led in field goal percent and started at forward

Tom Yelich was the team's playmaker and started at guard.

John Linster always played well and was Wausau's pivot man.

# "Jacks Jell For Great Cage Season , 13-6"

Schiefelbein, Severson, Kuehl—Schiefelbein and Kuehl made first team all-conference and Severson second team.

Wausau High School began the 1962-63 basketball season by losing a ragged contest to Madison West 52-48. Wausau fans had little reason to be disappointed though, as the team followed with eight consecutive wins on their home court.

They compiled a season's record of 13 wins and 6 losses. In the Big Rivers Conference, the Jacks lost the championship in the final game to Eau Claire Memorial 66-63 giving them an over-all conference record of 6-2. Eau Claire eventually went on to win the State High School Consolation Title at Madison.

Coach Torresani used a line-up consisting of forwards Jim Severson and Al Kuehl, guards, Ken

Severson scores in game with Eau Claire won by Wausau 83-66.

Yelich goes up for 2 in Rapids game. Wausau won 70-51.

Ken Schiefelbein dazzled everyone in this game against Point as he turned in the best scoring output by anyone this year. He garnered 14 field goals and 4 free throws for 32 points.

# "Torresani Coaches Jacks To Great Year"

Schiefelbein and Tom Yelich, and center John Linster. On two occasions during the season the team was ranked as one of the top sixteen high school basketball teams in the state. Individual All Conference Honors were won by Al Kuehl, Ken Schiefelbein for the second year in a row, and Jim Severson.

The team concluded the season on a disappointing note with a 64-56 defeat to Antigo, the Wisconsin Valley Champions in the Merrill Sub-regional Tournament. This was the 2nd tournament loss to Antigo in as many years.

Our coach deserves a fine hand for his great job. He increased his record as varsity coach to a fine 20-16 or .625 percent.

## Kuehl Can Get 900 Points

Al Kuehl, along with Ken Scheifelbein, set the pace for our Jacks this year and gave them spark. Ken led in scoring with 303 while Al led in rebounds with 192 and free throws with 64. In total varsity points Al had 545 and has his best year yet to go. Al came to the varsity team in his freshman year and got 48 points. He got 225 in his sophomore year and 272 this year and has a good chance to reach 900 points. This would put him among the top scorers in WHS, possibly at the top. Let's all get behind him next year and help him reach the tremendous goal of 356 points which he needs to break 900. We're betting he'll make it.

Al Kuehl sinks two in victory over La Crosse Central. He will have a chance next year to become one of Wausau's highest scorers in varsity play.

The squads are shown lining up for the Wausau Invitational Cross Country in which 12 schools participated. The meet was won by Rhinelander with Wausau finishing second.

Dale Geiger came in first in "B" meet. His time was 11:59.

Geiger (left) and Jerry Robinson. Robinson was Captain of "A" squad which took second in Wausau Invitational. Geiger won the "B" race.

## Harriers Place Second in Own Invitational

Wausau began the Cross Country season with one letterman and several boys who had never participated in Cross-Country. Despite this handicap, our school was well represented, and should be commended.

There were several highlights in the year. In the sixth annual Wausau Invitational, Wausau placed second out of 12 schools. In the large Madison West meet Wausau took fourth, and in Shawano's Invitational Wausau tied for third. In addition to these, Wausau won three dual meets and lost one to Rhinelander. This was only the second time in the last

eleven years that Wausau has lost a dual meet. In the state sectional meet Wausau took fourth, and for the first time failed to qualify for the state finals.

The 1963-64 squad will be well led by the letter winners from this year. These boys were responsible for this year's fine record and deserve special mention. They are Ron Baeseman, a senior, and juniors Bruce Closway, Dick Dike, Dean Hanke, Jerry Robinson, Jim Seidel, and Dan Voigt and manager Bill Garski. Praise also belongs to Mr. Smiley and Mr. Dix for another fine job.

### 1962 CROSS COUNTRY

- 1st in Eau Claire Dual Meet
- 1st in Rhinelander Dual Meet
- 2nd in Wausau Invitational
- 4th in Madison West Invitational
- 3rd in Shawano Invitational
- 2nd in Rhinelander Dual Meet Rematch
- 1st in Eau Claire Dual Meet
- 4th in State Sectionals

### SEVERAL BOYS PACE "B" SQUAD

Among those leading the "B" squad were Jim Seidel, Bob Reynolds, Tom Prahl, and Dale Geiger. The "B" team did a good job in all their meets and would have done better if they hadn't lost Dick Dike to the "A" squad. Their finest achievement was winning the "B" race in the Wausau Invitational by 80 points over the second place team.

Brodhead looks disgusted as he missed on his high jump.

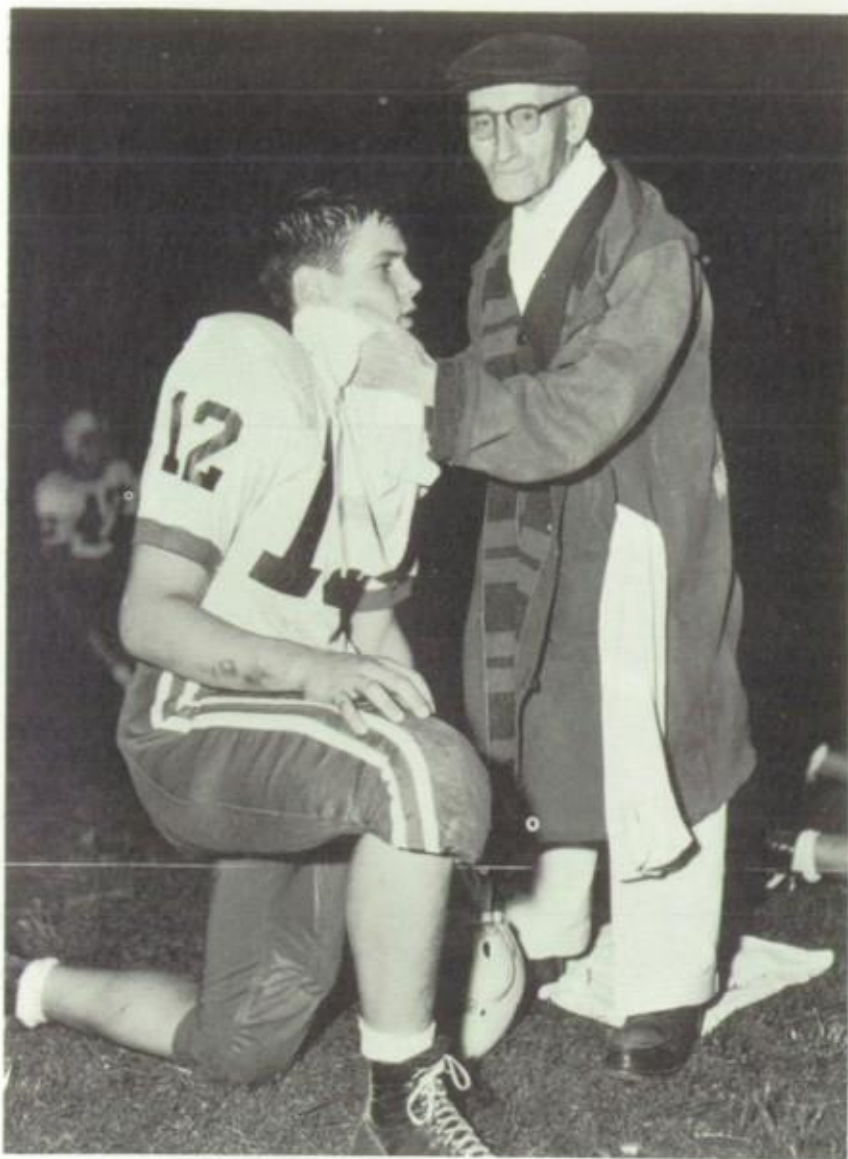

Closway one of our top milers, placed second against Merrill.

## Jacks Win Rapids Invitational

As we go to press, Wausau's best performance was in the Rapids Invitational. In this meet we placed first out of six schools competing. Probably the best effort so far, has been by Al Kuehl. He set a high jump record at Rapids by topping 6 ft.  $\frac{1}{2}$  in. Wausau also did well in a meet against Merrill. They took all but a few events and piled up 60 points to Merrill's 20. In the Journal Relays our Jacks were disqualified, and in the Rapids Relays we placed fourth. In the last meet we can cover, the Madison West Invitational, Wausau didn't place.

Herman is shown here working on Dick Roe. For the past 32 years he has been Wausau Senior High's trainer.

## Herman Kaiser - The Man In White We All Know Well

For the past 32 years, a man by the name of Herman Kaiser has been serving the community and the two Wausau High Schools, and although he hasn't quit his job as trainer and won't as long as he is able, WHS would like to pay tribute to Herman in behalf of the city of Wausau and the two high schools, with the following remarks, from men who knew him well.

"As Mayor of the City of Wausau, I deem it a privilege and an honor to personally acclaim the virtues of Mr. Kaiser. Words cannot adequately express our way of saying 'Thank You, Herman.'"

**Hon. Ben C. Schuck**, Mayor of the City of Wausau

"Herman Kaiser's service and love for the young men of Wausau will long be remembered! One mark of greatness is this spirit of service, exemplified in Herman to an eminent degree."

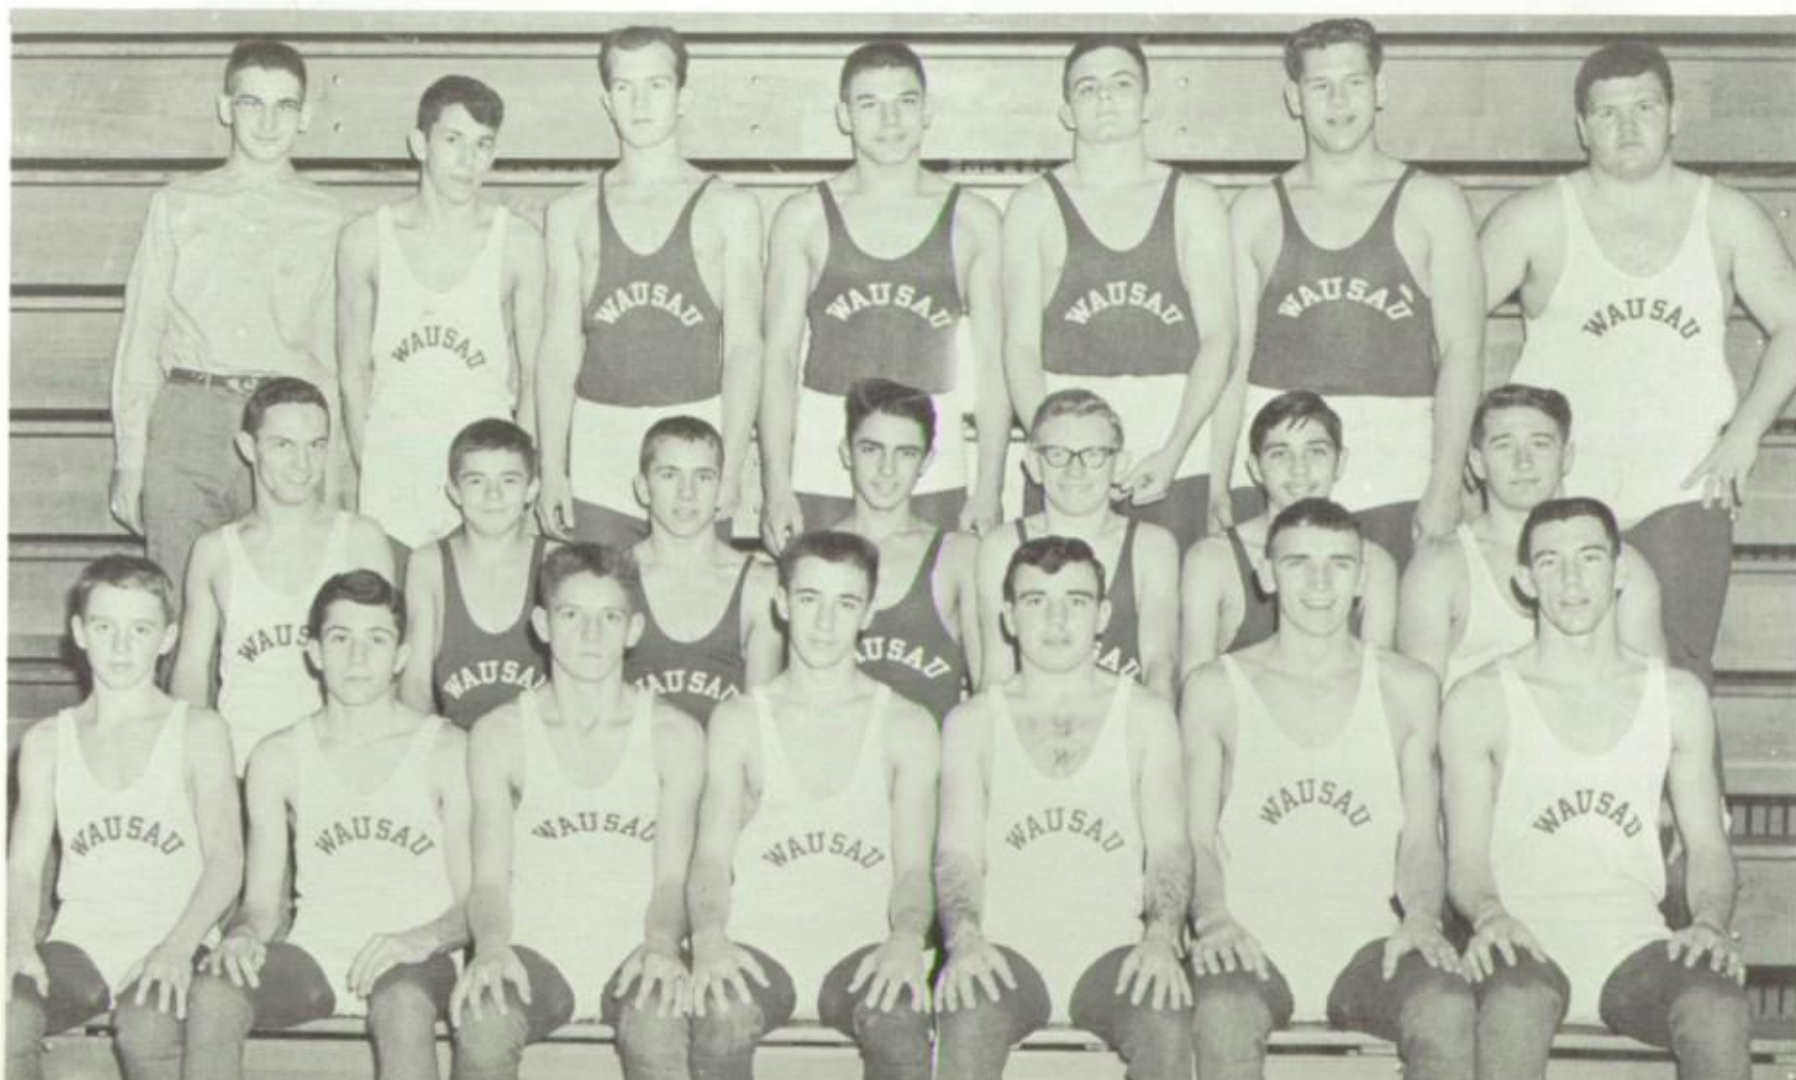

**Father Thome**, Principal Wausau Newman

"Herman Kaiser is extraordinary and his type of sacrifice is recognized by all honorable men. Wausau was indeed fortunate that Herman decided to make his home here."

**Mr. Win Brockmeyer**, Athletic Director Wausau Public Schools

This year's season started off with a bang as Wausau ran Eau Claire North off the mats, but the joy was then cut short by a four match losing streak. Wausau did snap back, however, with victories over Eau Claire Memorial twice, Menominee, Rhineland and a strong showing against Coach Howe's alma mater, Edina, Minnesota. Wausau was paced this year by J. Quaderer, H. Duranceau and J. Robinson. All three of these boys got as far as Madison in the state tournament and Robinson got as far as the semi-finals.

Jerry Robinson, Most Valuable Wrestler of WHS in '62-'63 is just getting set to pin his man in this meet with Eau Claire North.

## WHS; Robinson Reaches State Semi-Finals

Jerry Quaderer, one of three boys to get to state, is shown here with that grim look of determination which helped him get there.

Coach Roger Howe

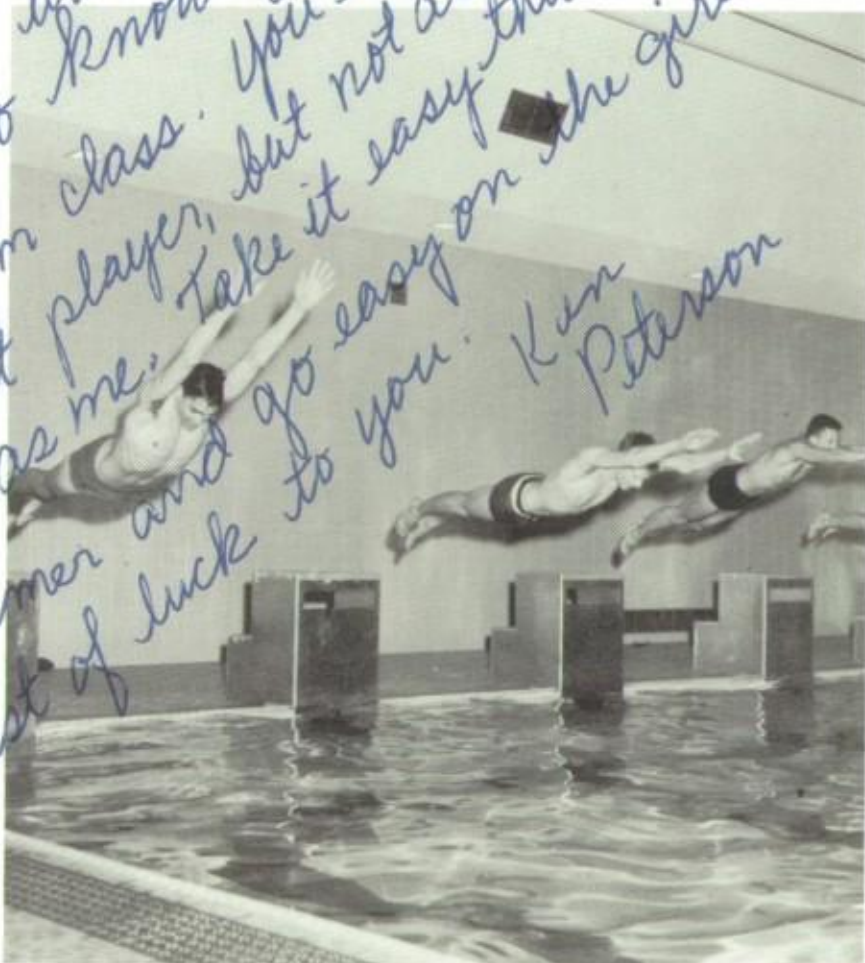

Our congratulations to Jerry Robinson, Jerry Quaderer, and Harry Duranceau who got as far as Madison in the state wrestling tournament. Special Congratulations to Jerry Robinson as first recipient of the Most Valuable Wrestler Award which will be given annually.

Terwilliger, Farrell, Lewis all record-holders, take off.

Schroth shows his record holding butterfly stroke.

## Swimmers Look Good in '62-'63

This year Senior High swimming got into full swing. With five returning lettermen and a fine crop of sophomores the team came up with a 2-8 record with victories over Oshkosh and Point. Our hats go off to Coach Miller and his team for a fine job this year. To come as far as our swimming has in only two years is a tribute to both our coach's and the team's ability.

## Colby Voted Best Curler

This year's curling team was paced by two rinks in particular. They were the Colby and Roe rinks. Colby's rink came up with a win in the first event at Portage, and Roe's rink came up with a first in the second event in our own bonspiel which had 12 rinks competing. Dick Roe's rink also did well in the WIAA sectional at Eau Claire and won second. Wausau's best victory, however, was in placing second in the Mid-Wisconsin Curling League. They were beaten only by Waupaca, who won the league.

Our congratulations go out to Jim Colby as recipient of the Allan Wirt Memorial trophy. This was the first time this award was given, and it will go to the best all-around curler annually.

Dick Roe's rink took the 2nd event in the Wausau Bonspiel.

Row 1: Kumbera, Abitz, Madison, Ostrander.

## Ski Team Takes 3rd

Compared to previous years, Wausau's ski team was less successful. In the state ski meet Wausau came out 3rd. This is good, of course, but this year was the first time in the meet's history that we didn't take first. In the other meet in which Wausau participated we came out 4th. The squad was dealt a blow when two of its top skiers were lost to the Central United States Ski Association (CUSSA). However, watch out next year! With several letter winners back things should be a little different.

Tuck Mallery, along with Chuck Fox, Jack Jackson, Bob Reynolds, and Tom Mathwick made up the team which took 3rd in the state meet.

Larry Detjens, shows the form which allowed him and "Sam" Funk to be two of the four boys from Wisconsin to ski with CUSSA.

## Funk 12th in Slalom

Larry Detjens and Larry Funk were the two from Wausau who made the CUSSA team and were entered in the National Junior Alpine meet. Detjens, however, was unable to participate because he sprained his ankle preparing for the meet. Larry Funk did represent Wausau well though. He did his best in the slalom where he placed 12th and was 1st for CUSSA. In the giant slalom he placed 28th and was 2nd for CUSSA. In the downhill he came in 38th and was 4th for CUSSA. All in all it was a job very well done.

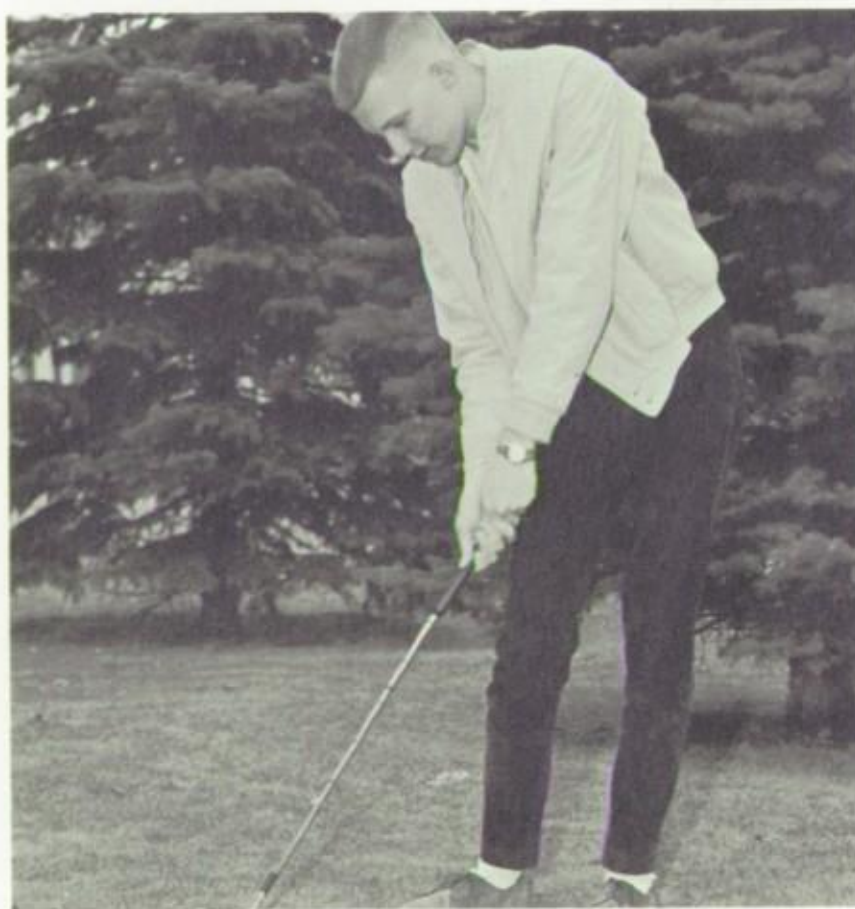

Row 3: Peterson, Zimick, Winters, Sanders, Seeman, Jaeger, Thomasgard, Chaunel, Edwards, Clifford, Ballschmieder.

 Row 1: Sturgeon, Babcock, Stone, Henzel, Roehl, Buehler, Goetsch, Geisel, Johannsen, Ryan (absent).

The 1963 golf team fared pretty well. It was solid and had good experience. Last year's number 1 man John Larson, number 2 man Jack Lohrey, number 3 man Tom Thomasgard and number 4 man Roy Jaeger were all back. They had plenty of experience and led the team to a successful season. This year's squad again met some rough competition. They came up against some top competitors in the Big Rivers and also at Wisconsin Rapids and Rhinelander, but they were planning on a better record this year regardless of the competition.

Head Golf Coach Win Brockmeyer

About ready to shoot out of the woods is Tom Thomasgard.

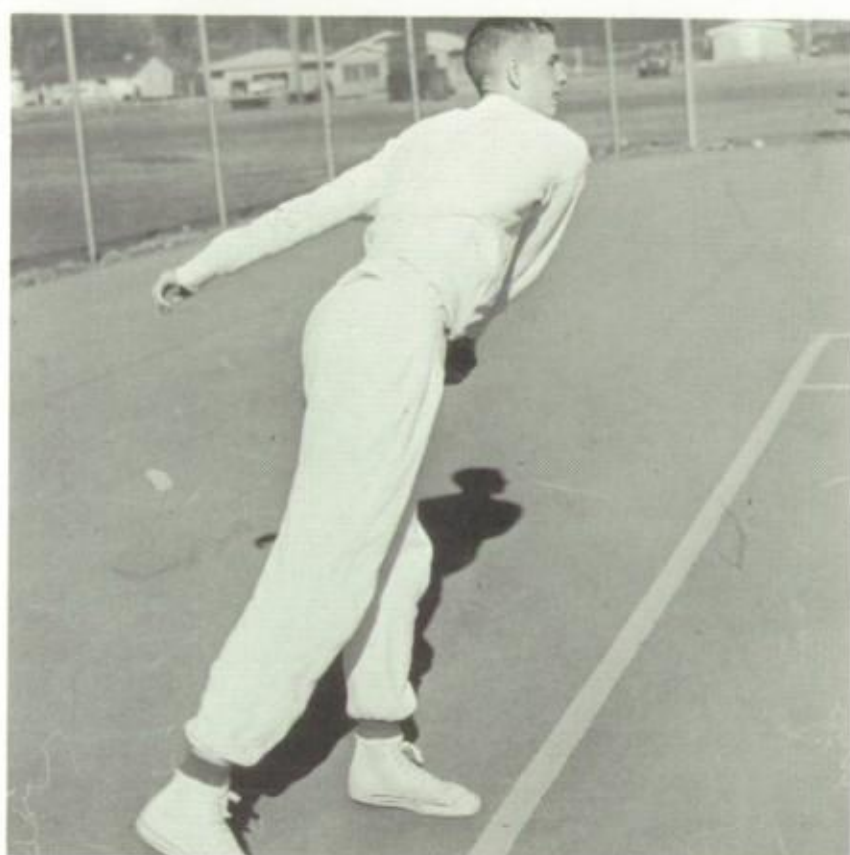

## 1962 GOLF

2nd in Wis. Rapids Triangular  
 4th in Big Rivers Conference Meet  
 2nd in Eau Claire Dual Meet

Row 2: Sanford, Omholt, Marth, Jacobson, Olson, Terwilliger, Norberg, Yelich, Eggebrecht, Funk.  
Row 1: Brechner, Kippenhan, Wyile, Mallery, O'Leary, Schaller, Zimbauer, Lang, Weiner, Eggebrecht.

Tom Yelich will play this year as number one or two man.

## Experienced Tennis Team Is Helped By Sophomores

This year's tennis squad should have a good year. They have plenty of experience and some good sophomores. The team will be led by Tom Omholt, Tom Yelich, and Tom Terwilliger, all seniors. Juniors Rick Eggebrecht, Rick Wyile and sophomore John Lang will round out the six. Tim O'Leary, senior will be next in line if any vacancies occur. Another thing which will help the squad is the fine crop of sophomores and juniors. They will constantly be out to get a place on the team and the regulars will have to do their best to keep their position safe. The team will again play a full 18 match schedule representing some of the finest teams in the state. This schedule will include the Big Rivers Conference Meet and other fine teams such as Shawano, Rhinelander, and Stevens Point.

Tom Omholt, one of the first six starters on the team, shows his winning form. This year marks Tom's third year on the team.

Row 3: Lamphier, Donner, Gauerke, Yach, Schiefelbein, Severson, Thurs, Krolikowski, Woller, Duranceau, Peters.  
 Row 2: Baumann, McCabe, Camps, Duranceau, Lombard, Leffler, Reynolds, Volkman, Fish.  
 Row 1: Reede, Thurs, Johns, Josiger, Kovach, Anderson, Krueger.

## Lumberjack Baseball Squad Faced A Rough Schedule

The 1963 baseball team definitely lacked playing experience this year. Jim Severson, Ken Schiefelbein, Harry Duranceau, and Ron Fish were the only returning lettermen. The team was helped considerably by some excellent junior and sophomore candidates. Hustle and determination helped the team through its rough schedule.

One of Wausau's pitchers, Dennis Woller, shows his form.

Lettermen Schiefelbein, Severson, Duranceau and Fish.

## WHS Is Physically Fit

Wausau high boys had strenuous workouts this year in physical education. They did a series of push-ups, leg-lifts, chin-ups, parallel bar dips, and running laps in the gym. This was done for a period of a half an hour. The rest of the hour was spent learning and playing sports. These sports included football soccer, basketball, badminton, wrestling, volleyball, tennis, golf, and baseball. All these activities are in preparation for one thing—the physical education test. This is a test based on points. The person is given points for push-ups, shuttle-run, pull ups and sit-ups. This is the test given in the fall. The 2nd semester the test includes pull-ups, parallel bar-dips, sit-ups and 50 yard dash.

The rest of the classes were taken up by playing sports such as badminton, volleyball, wrestling, basketball, etc.

Interest in intramural basketball has reached an all-time high. A league was formed to enable boys to play after school and in the evening.

## Intramural Interest Up

The main point of intramural interest this year was basketball. In the home-room league, the combined team of 015-354 (a sophomore homeroom) won the championship. The team consisted of Tom Youtos, Bruce Wiesman, John Schwister, Carlon Metcalf, Gary Zastrow, Bob Warnke, David Zimbauer and Rene McCullough. To win this, they had to first win against the other sophomore home rooms and then had to play the junior home room champs (301) and senior home room champs (305). In the evening basketball league, a team consisting of Perry Schuette, Rick Gettino, Bill Onheiber, Dick

Roe and Wayne Busko won with an 8-0 record. A six team volleyball league started playing after the basketball season. There were 5 student teams and one co-ed faculty team. As we go to press, the faculty has already fallen once to the students.

In bowling, a team of Rick Wylie, Don Dern, Bill Zimmerman, Randy Smit, and Bruce Wiesman, won National League honors, and a team of John Hieb, Don Voelker, Dennis Woller, Bill Lemke, Don Marquardt and Mike Nowitski won the American League crown. Congratulations to these teams.

Al Gabrilksa directed and organized the intramural program.

Bill Lemke and 70 other boys enjoyed bowling at the YMCA.

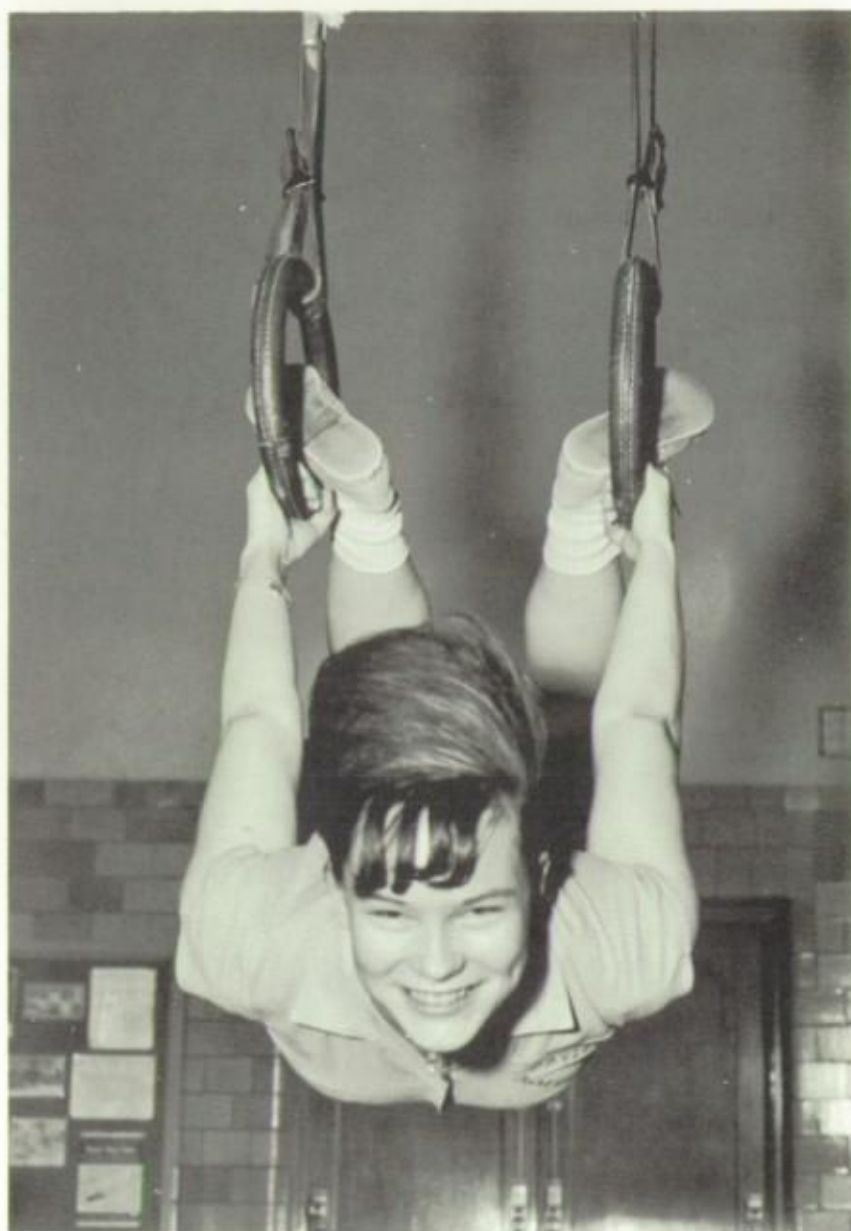

# Girls Excel In Physical Fitness Activities

Girls' Gym Teachers: Miss Scott, Miss Tank, and Miss Becker.

Good form is displayed by Mary Gjetson on the balance beam.

Mary Treptow shows good form as she demonstrates the bird nest.

Dottie does free exercise which is required for the Olympics.

Gym class seems to be a favorite among many students. This class enables the individual to release herself from academic tensions in many ways; however, the teacher tends to direct this instinct into the path of physical fitness. The girls reached a high degree of physical fitness under the gym teachers directed by Miss Becker.

For a special assembly program the girls' gym classes were privileged to see Dottie Scharmer perform. Dottie is a member of Milwaukee Turners and has recently moved to Manitowish Waters. She demonstrated various skills showing what can be done in gymnastics with a little practice. Her future plans include trying out for the Olympics. The enthusiasm she showed for these activities rubbed off on many students. For the next weeks everyone was turning cartwheels and exercising with much "vigor."

From a handstand on the parallel bars, Dottie does a flip to the floor.

Stauffer and Baumann, last year's golf champs, get in some practice.

GAA Archery Champs: 3rd Goetsch, 2nd Miller, 1st Swanson.

Varsity Squad—front to back: Schlitz, Duckworth, Sturgeon, Miller, Plybon, Gabriliska, Telder.

## Pep Promoters In Action

The cheerleaders have completed another very successful year in promoting pep in our school. They've built up student morale when the spirits were low. Even before the school year started the plans were being laid. During July the varsity cheerleaders attended a cheerleading camp at Williams Bay, Wisconsin. It was a lot of hard work in addition to the fun of meeting people and sharing ideas. This year the squad came out in third place among about 45 groups from eight different states.

Throughout last year and the first part of this year both the varsity and "B" squad worked to earn money for their new outfits which were purchased just previous to the 1962 basketball season. The entire school body would like to thank this year's squads for the outstanding qualities of good sportsmanship and school spirit which they passed on to us at all games in the 1962-1963 season.

Capt. Jean Miller confers with Miss Scott and Miss Taylor.

"B" Squad—Row 1: Johnson, Brown. Row 2: Rydell, Post, Thomasgard. Row 3: DeHaven, Meyer.

Mixed Bonspiel Champs: left to right, Balz, Meyer, Ullrich.

## GAA Offers Challenge To Students In Varied Activities

Practice paid off in free throw points for these girls. From left to right the second place champ is Donner and first place went to Beneditz.

The first place curling champs were: back row, left to right, Gabriliska, Pukis, front row left to right, Mergendahl, Goodwin, Schwichtenberg.

Volleyball Champs: back row, left to right, Gehring, Mielke, Wyro, Krueger front row, left to right, Bangle, Miller, Balz, Meyer, Kluetz.

Table Tennis Champs: 1st Poppe, 2nd Carspecken.

The present Girls' Athletic Association was organized 28 years ago. It has experienced an increasing enrollment from 13 to the expected membership of 500 next year. Any girl interested in athletics is eligible. With the growing enrollment have come new activities. Two of the newest sports are senior life saving and modern dance. Bowling has been a favorite of many and this year consisted of 26 teams. In badminton there were two separate playoffs because of the large number of girls participating. It's a shame that more of the girls can't receive an award so that we could picture them here, but to all girls active we encourage them to continue. A sound body means very often a sound mind.

Badminton Champs: left to right, Hennig, Carspecken, Otto, McDonald.

Bowling Champs: Miller, Heinzen, Krohn.

**Bowling Champs:** 2nd. Standing l. to r. Marschall, Pufahl, Reinke, Schalow, Chamberlain, Bundy, Lepak. 1st Sitting l. to r. Sturgeon, Miller, Arvold, Heinzen, Radloff, Falkowski.

GAA Swimming: seated, Gjetson, Bensen, Sleeter, Cline, Jenson, McElroy, Linster, Donner. In water clockwise: Zick, Bahringer, Duranceau, Mielke, Tallor, Bentz. (Absent: Cunningham).

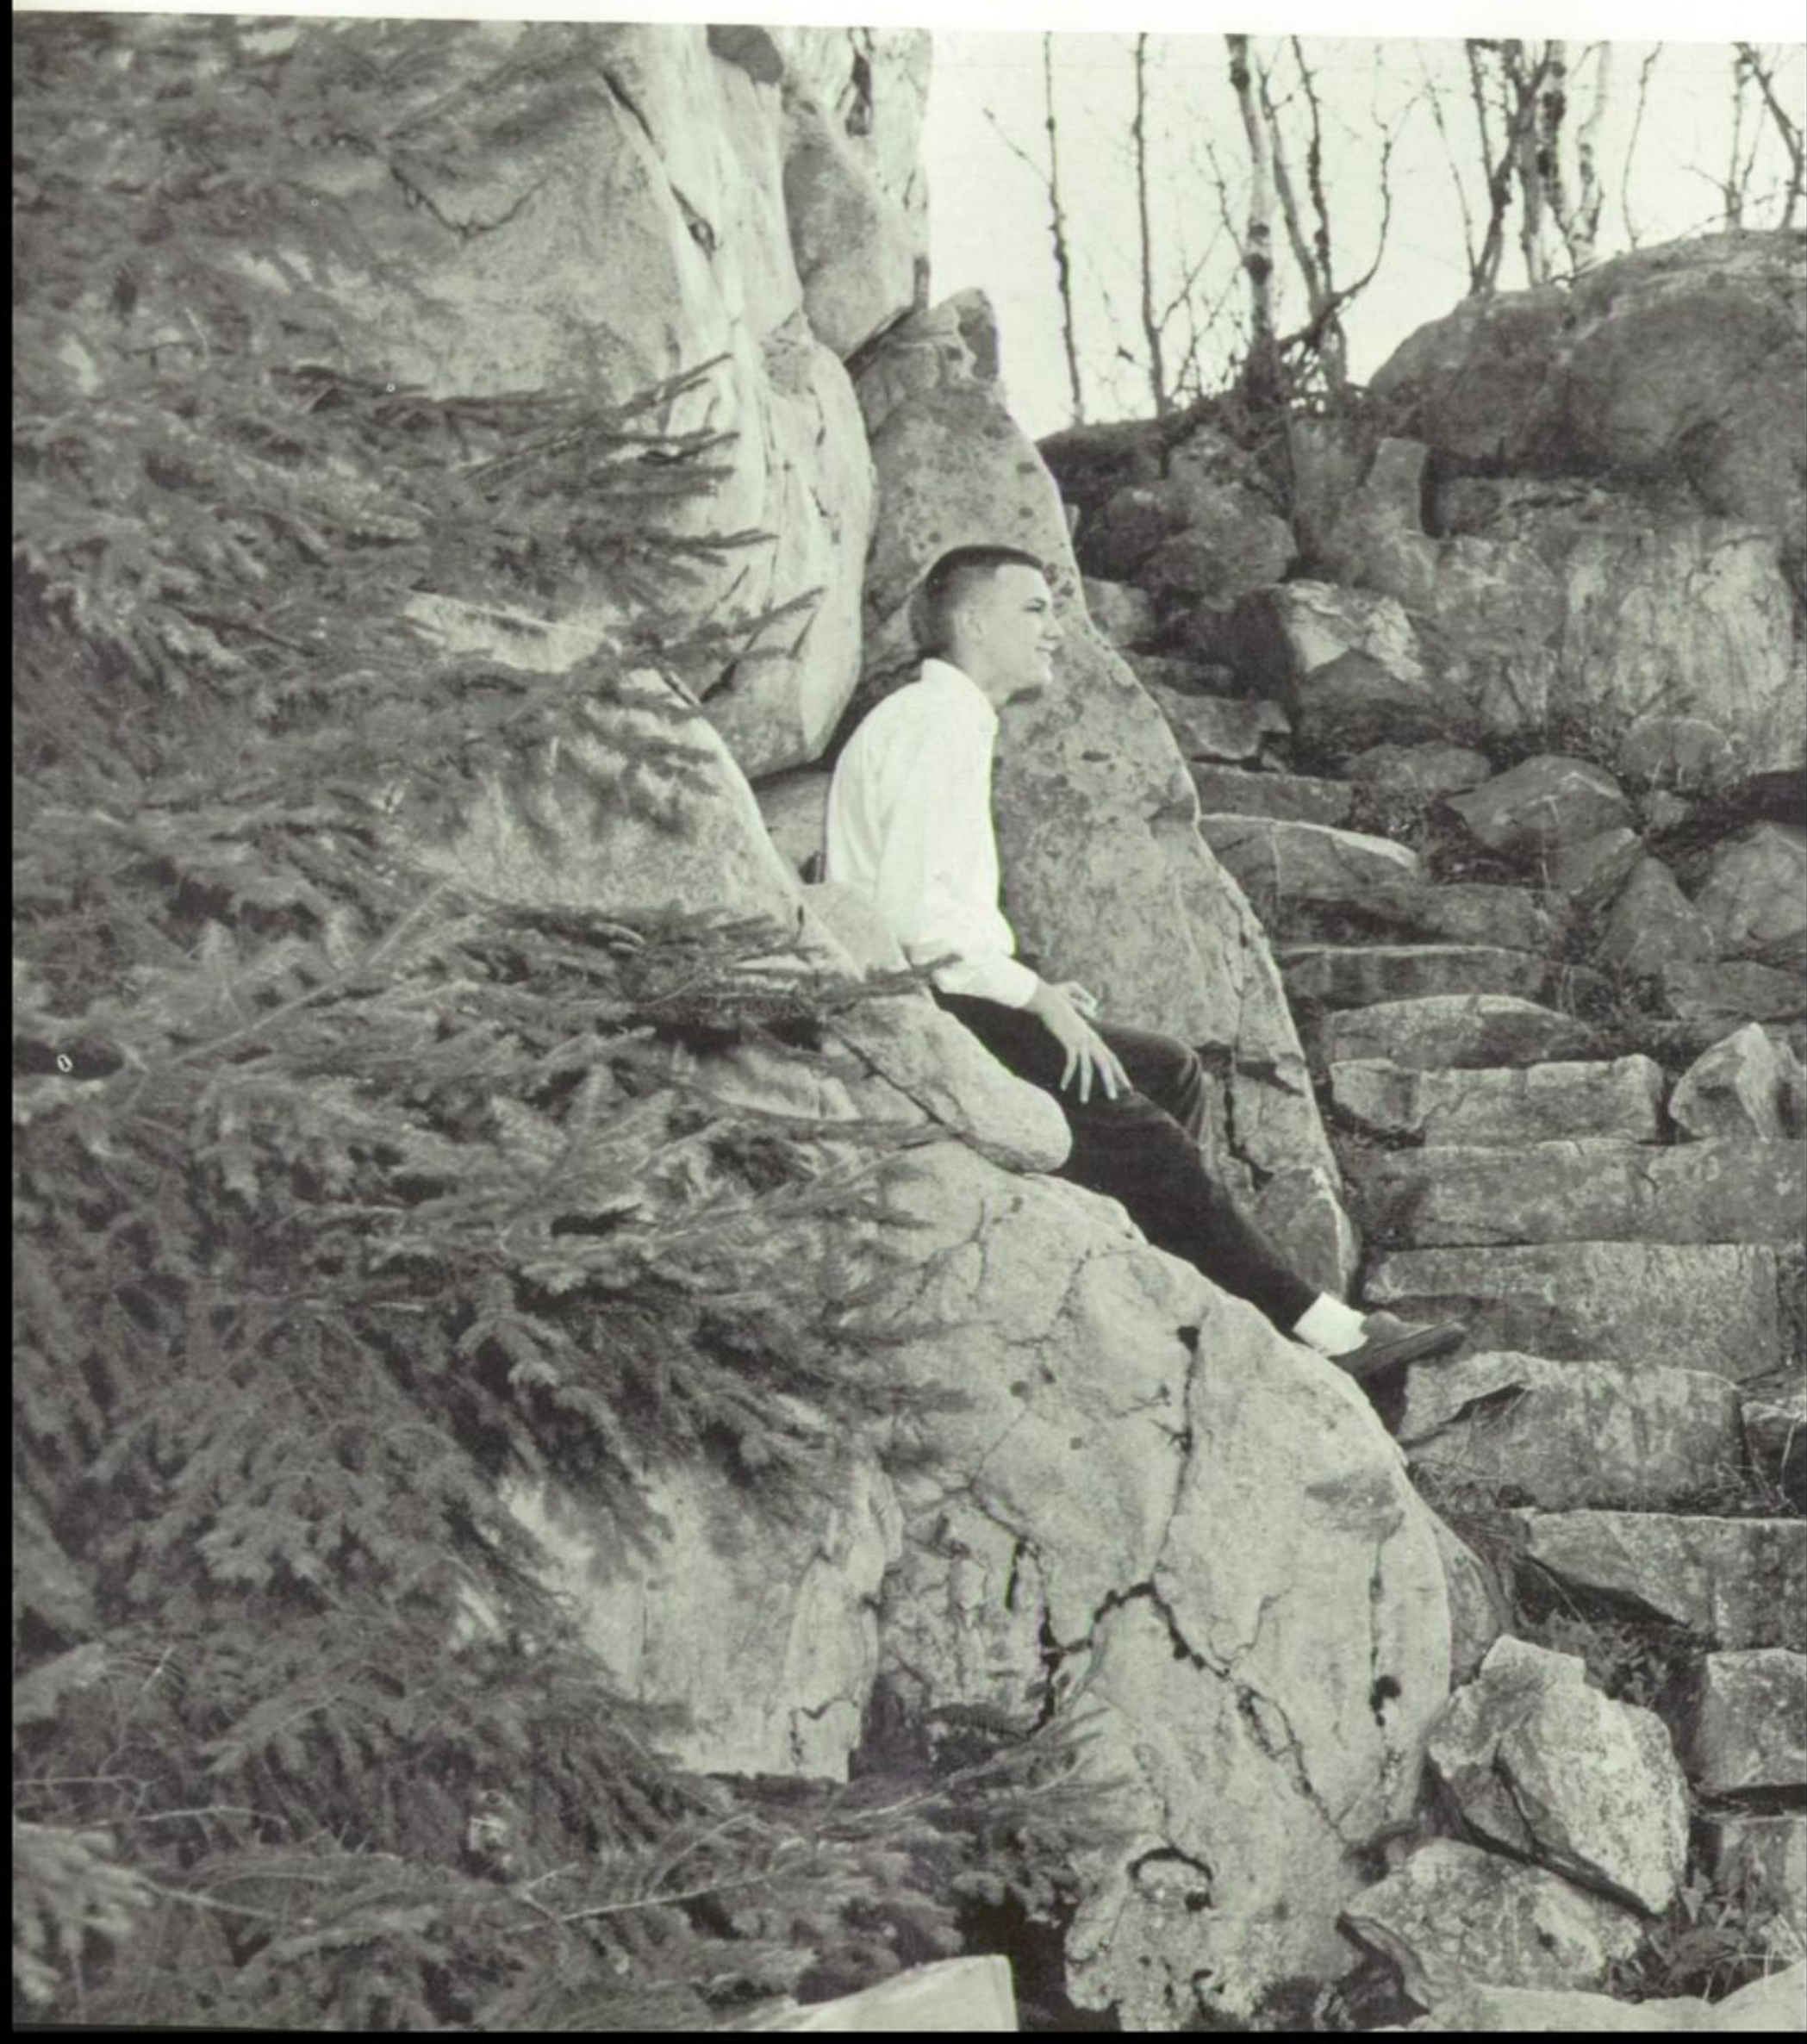

## Newly Formed GAA Organizations

The competent Miss Taylor was the instructor of senior life saving and synchronized swimming. The group practiced vigorously throughout the year to receive their badges. Mr. Baranowski, the first man instructor in GAA, taught the basics of modern dance to a group of interested beginners. Modern dance was used in many activities the past school year.

Modern Dance is an invigorating pastime taking much energy. A basic requirement for learning this skill is to leave behind one's inhibitions.

# *Classes*

**SENIOR CLASS OFFICERS:** Tom Terwilliger, President; Kay Cunningham, Secretary; Mr. Staats, Advisor; Tim O'Leary, Vice-President,

Our last, unforgettable year at W.H.S. — has drawn to a close. Along with three years of experience and knowledge we are leaving Senior High with many cherished memories.

As Sophomores we were introduced to the many, varied activities at W.H.S. During our Junior year we assumed new responsibilities and challenges. We'll long remember the Holiday Dance and our

Junior Prom, "Tropicana."

We realized graduation was approaching with the exchanging of class pictures. "Pygmalion" was one of the highlights of our Senior year.

After graduation the class of 1963 will go their separate ways, but we will always remember our wonderful years at Senior High.

## Bids Farewell to WHS

SENIOR TWINS: Row 2: Mary Ann Matushak, Jim Ludwig, John Linster, Phil Giese.  
Row 1: Marie Matushak, Carolyn Ludwig, Joan Linster, Phyllis Giese.

Mike Genrich and Andrea Miller catch up on the latest scholarship information. Scholarships play a big part in financing a college education. Early in the second semester, seniors began making plans for their future education. Scholarship interviews were given to all those who applied. Scholarships were awarded as part of the graduation ceremonies.

A popular pastime with the Senior girls this year was knitting. Kathy Milne, Nancy Mau, Ann Moore, and Jaci Duranceau proudly wear the sweaters they have completed. The popularity of hand knit sweaters has encouraged more girls to take up knitting. Kathy, who are you knitting that sweater for?

Senior High has an extensive noon hour program with some activity for everyone. Making the most of their free time, Marty Dettmering, Pete Oppen, Dick Roe, and Perry Schuette concentrate on a fast moving game of rap poker. Perry's four aces were beaten by Dick's five two's.

John Boneck, Janice Cline, and Dorothy Church pause between classes to exchange their class pictures. This annual tradition reminds the seniors that graduation is fast approaching. These pictures will bring back many pleasant memories in the coming years.

After a hard day of taking pictures, the WAHISCAN Staff uses some of its excess energy on the editors of the Skyrocket. The fast melting snow makes good packing for snowballs. By the way, the number "one" publication won.

## Seniors Caught During Moments From Books

Each year the various classes meet to elect their class officers. The seniors listen attentively while the candidates for president say a few words in their own behalf. From the looks on those smiling faces, Tom Terwilliger must have cracked one of his jokes.

# Our Seniors Captured Many Honors

National Council of English Teachers Award

National Merit Scholarship Award

Left to Right: MARY GJETSON, D.A.R. Award; JOHN BUZZA, Elk's Most Valuable Student Award; VIRGINIA BELL, Elk's Most Valuable Student Award; ROBERT MATHISEN, Elk's Leadership Award; PENNY GEASE, Elk's Leadership Award.

The Daughters of the American Revolution Award is given to a senior girl who possesses the qualities of dependability, service, leadership, and patriotism. A 500-word essay on an assigned subject is also required. Local winners compete state-wide for a \$100 bond. The state winners are eligible to compete nationally.

The Elks Most Valuable Student Award, based on scholarship and financial need, is given to a senior boy and girl. The judging is based on scholarship, extra curricular and outside activities, personality, and leadership. These two students win a \$150 bond and compete state-wide and nationally.

The Elks Leadership Award is a \$150 bond given to a senior boy and girl. It is based on leadership, citizenship appreciation, perseverance, and resourcefulness. The students also prepare a scrapbook. The local winners may compete on state and national levels.

Those eligible for the National Merit Scholarship Award must be in the upper one percent of those taking the College Board Tests, and if their grade is high enough here, they are national finalists or winners. Tom Roehl qualified as a national semi-finalist. Merit Letters of commendation were given to Virginia Bell, John Boneck, Jim Colby, Mike Genrich, Judy Johnson, and Jean Miller.

Each year 25 or 30 juniors who are top English students are nominated by their English teacher for the National Council of English Teachers Award. These students are then asked to write a 250-word autobiography. From this, four finalists are chosen, and they are announced in their senior year. Local winners may compete state-wide, and state winners automatically become national winners. The winners this year were Faith Allen, Vicki Bangle, Mike Boyle, and Kathy Carspecken.

**CLASS OFFICERS:**

PAUL KLEMM - President, JOAN GABRILSKA - Secretary, RUSTY BRODHEAD - Vice President, MR. SCHUMACHER - Class Advisor.

We, the class of '64, have indeed had a wonderful year. Through our varied experiences we have gained added knowledge and many friends who will never be forgotten. The football season, homecoming, the basketball games, and the Holiday Dance all contributed their own amount of gaiety, sparkle, and everlasting memories.

The Junior Prom topped off our fabulous year. The hard work and energy put into it to make it a big success really paid off.

We realize that next year will be the most important and biggest yet. We are ready and willing to meet the challenge we will face as seniors.

## Students In Action

Whoops! Maybe it's a good idea to look where you're going instead of watching the camera! Traffic is pretty heavy this time of the day. In this picture Dabney Mergendahl, Jane Slayton and Lee Buechler pause to avert a spilling calamity.

*Edward Paul*

The juniors are starting to catch on to the shortcuts between classes in the new and old buildings. The walk under the canopy also gives them a minute to get a breath of fresh air before their next class. Here Joan Reiner (center and front) apparently senses that she is on CANDID CAMERA.

Are those smiles of approval? If not, remember things could be worse. About 400 students gobble up the cafeteria's food every noon. Just about anything tastes good at the end of the fourth period! For that price Marilyn McCutcheon and Craig Hall never expected a strip-section or T-bone steak. They are about to prove that Hot Dogs can be both filling and satisfying.

**CLASS OFFICERS:** MR. R. STADE, Class Advisor, DAVE MARTH, President, SANDY WILL, Sec'y-Treas., MIKE PETERS, Vice-President

Our first big year at Wausau Senior High has drawn to a close and proved to be a very enjoyable one for all. We have learned many new things as a result of our work, and we will strive to improve our school's record on all levels.

We realize that as we step down from the "shelf"

we will have to assume new responsibilities and challenges. As the biggest class ever to enroll in WHS, we hope to prove that our quality surpasses our quantity. The sophomore class wishes to pledge its "biggest and best" support for the coming years.

## Sophomore Action

Lynn Zastrow and Chuck Fox admire the many trophies acquired by WHS over the past years. They now have the privilege of boasting about our outstanding athletic department.

The sophomores soon caught on to the idea that they had to fight for their places in the cafeteria line. After the first week the seniors stopped cutting in front of them.

Stan Kovack concentrates on his next strike. Some of the sophomores make use of the bowling facilities at the Woodson YMCA. They try to better their averages after school.

## WHAT ARE YOUR PLANS AFTER GRADUATION?

Have you thought about working for Employers Mutuals of Wausau?

You probably know quite a bit about us — but did you know that we employ more people than any other industry in the Wausau area? Or that Employers Mutuals is the third largest writer of workmen's compensation insurance in the nation?

Drop in and visit our beautiful, spacious office buildings — investigate the opportunities available to High School graduates in our many departments. You'll find a lot of your friends here . . . and we think you'll find us

# Acknowledgments

Strategy is being laid out by Mr. Rosenhauer, faculty advisor, Mary Kaye Radloff, associate editor, Mr. Welch of the Fey Publishing Company, Vicki Bangle, associate editor, and Bob Mathisen, editor.

Ray Toburen and Ray Gehring pose for a picture during one of their quiet moments. They must be ready to take pictures for the yearbook at a moment's notice. We appreciate their cooperation in helping produce our book.

A yearbook is the result of the efforts of many people over the period of many hours. Some of the ideas for this book were formulated fourteen months ago. Since that time the staff worked about 3000 hours and had about 8000 pictures taken.

I would like to take this opportunity to thank all the people who helped to make this book possible. They include:

Mr. Rosenhauer for his able assistance and willingness to share past experience.

Ray Toburen and his assistants for their cooperation in taking and developing many pictures.

The WAHISCAN staff which spent every sixth period in 207 to produce the greatest WAHISCAN.

Mr. Dzubay, Andrea Miller, and the business staff for making the necessary funds available to produce this book.

Mr. Taylor and Mr. Reynolds for allowing the staff to use school time to take pictures.

The S. K. Smith Co., Chicago, the Fey Publishing Co., Wisconsin Rapids, the Boehm Bindery, Milwaukee.

The Record-Herald and Sun Press for lending a helping hand.

The Skyrocket staff for agreeing that the WAHISCAN is the number one publication.

All others who helped in any way to produce the 1963 WAHISCAN.

*Big B. M.,  
Good luck next year at good old W.H.S.  
I'm going to extension - we will still have  
some good little games down at A.S.  
The K.K. is losing all true backroom club  
members except you - keep up the tradition  
for the old gang. A friend always, Mike Moen*

*Bob Mathisen*

Bob Mathisen  
Editor of 1963 WAHISCAN

Lowly servant and knave,  
just remember that I am  
your master and god and that  
you are my lowly servant and  
you will be blessed by me. My  
angels and archangels will  
protect you as long as you  
know I am your master. This  
summer I will lift a little  
while you will remain at  
my castle doing my bidding.

Yours in socialism,  
Dave (master) Doty

P.S. I.V. forever

Bill  
We got together  
in Life Science but  
that was simply a  
blot. Too bad I had  
to blink. Well lots of  
luck in the future & be good  
am to will

Best of luck  
and I hope we are <sup>not</sup>  
in any of the same  
classes next year.  
May  
champagne
